

Landing Page

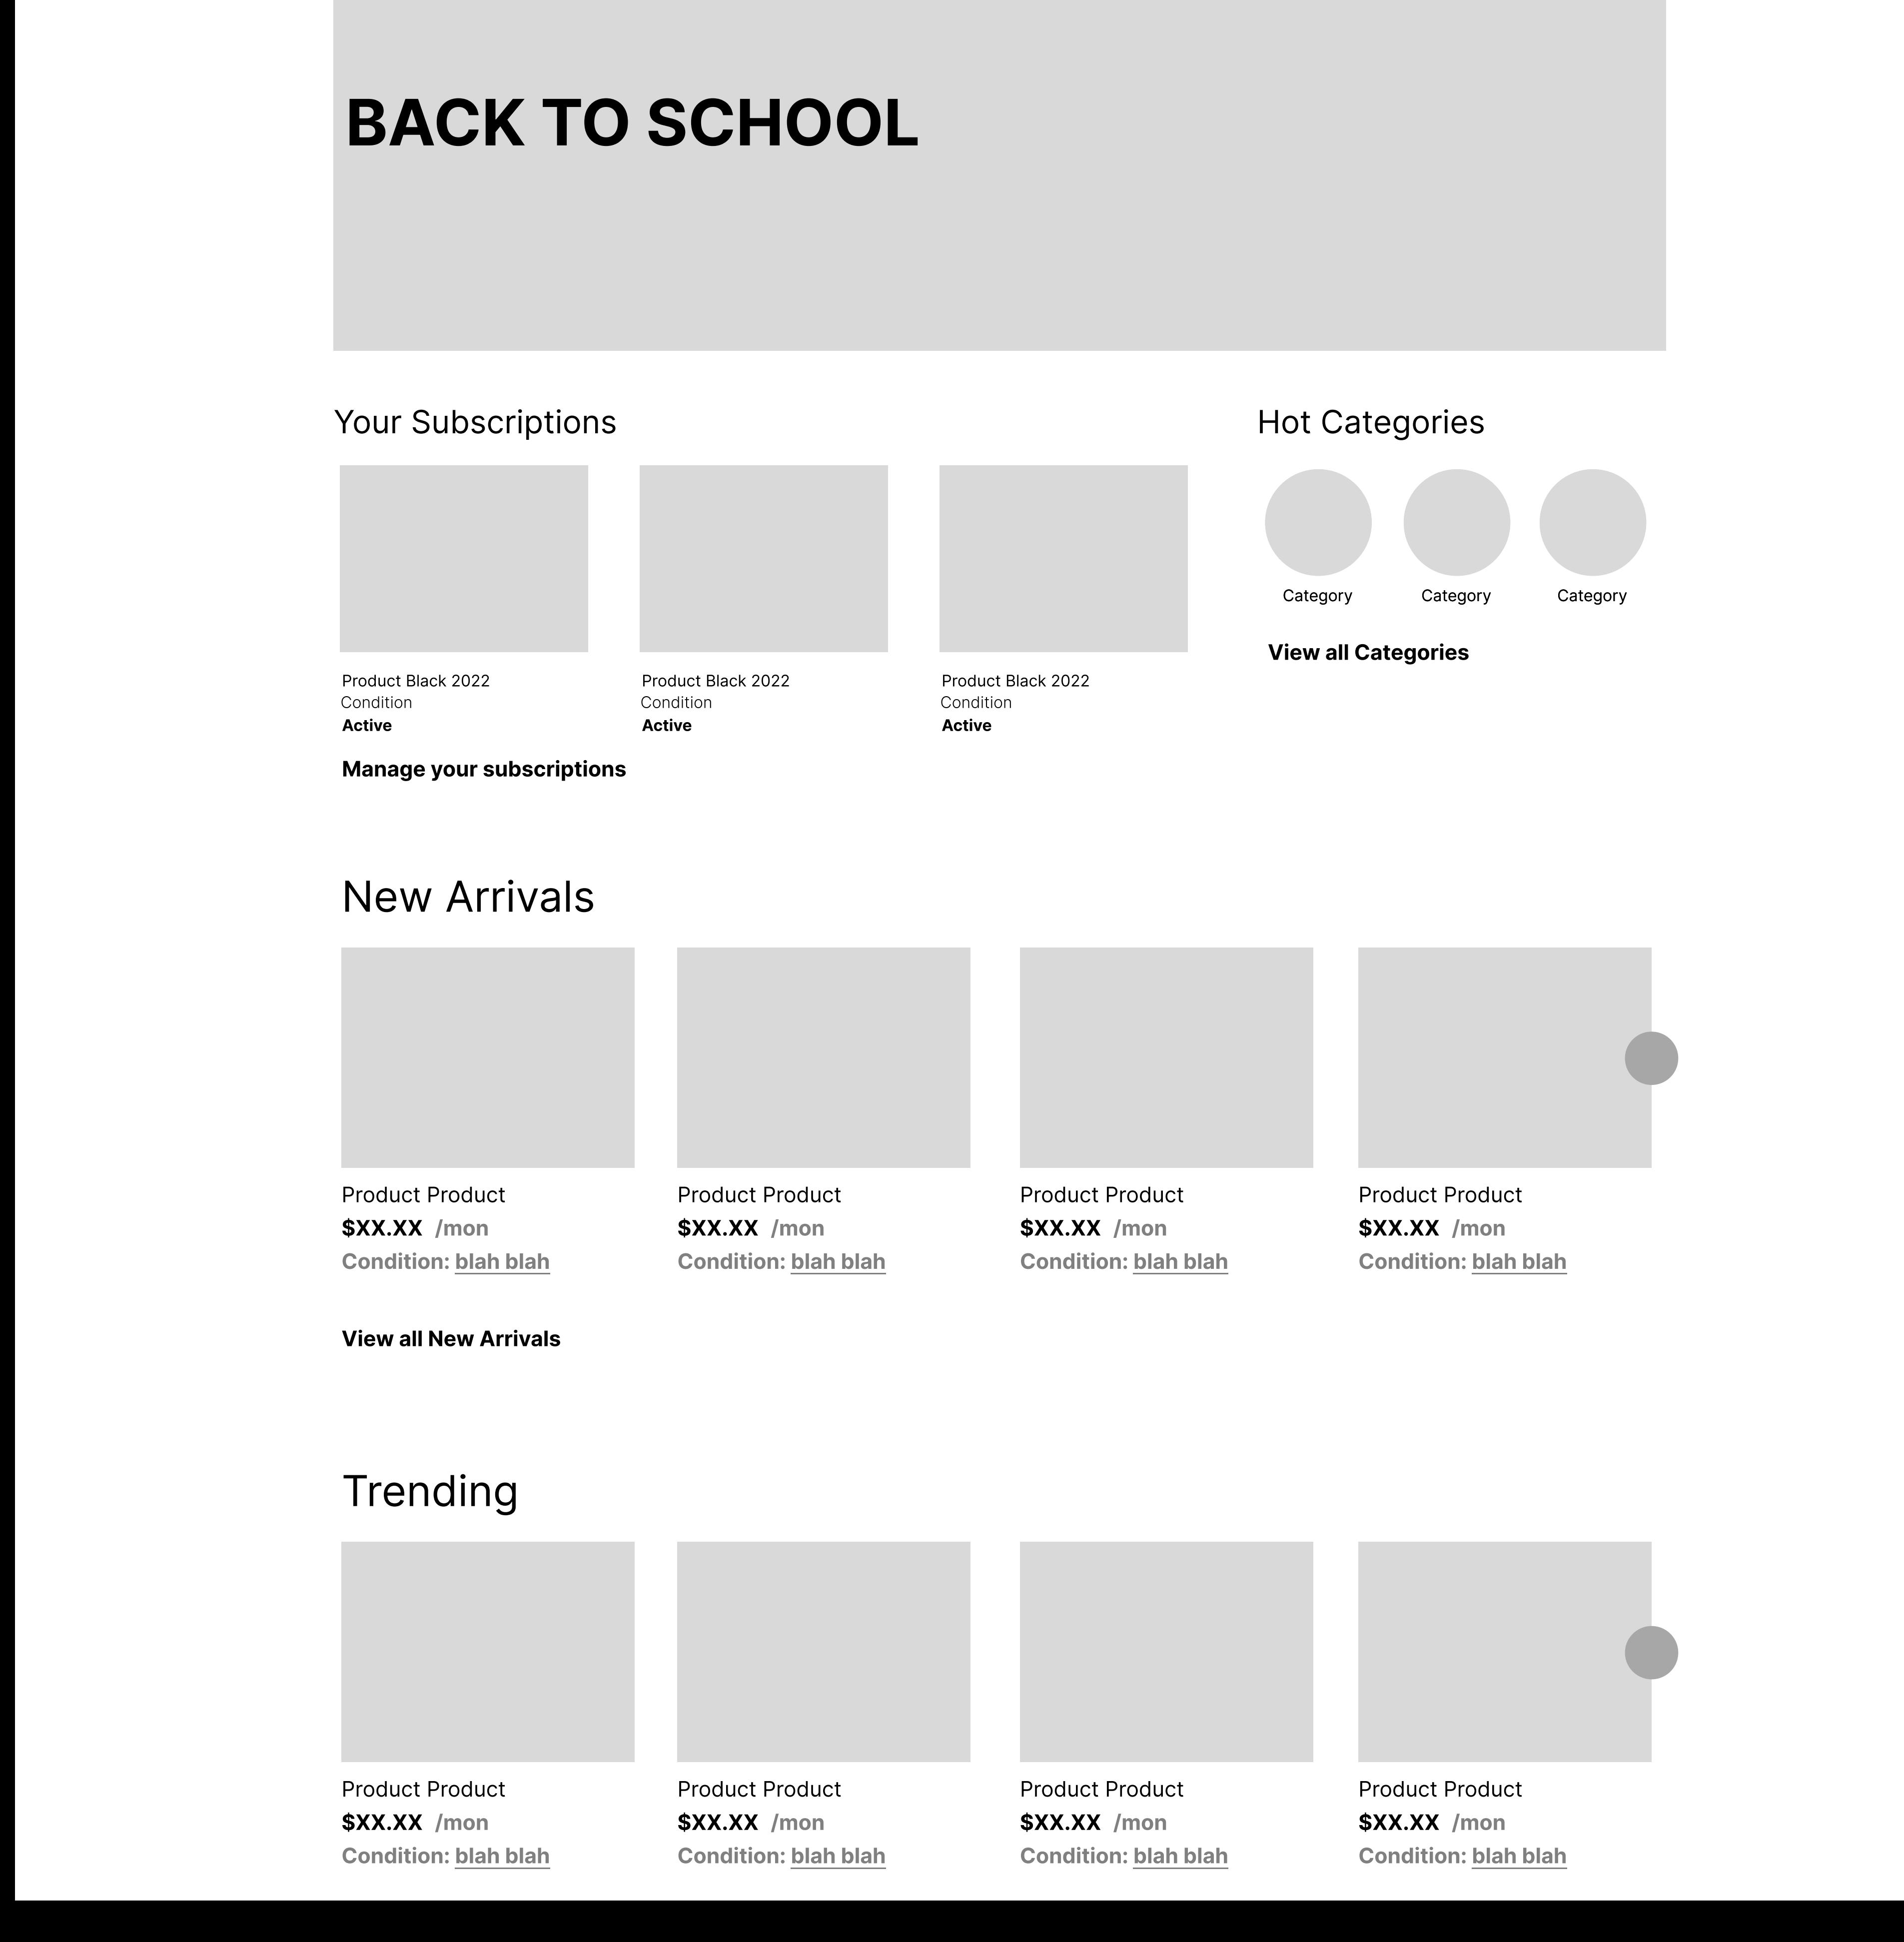

The landing page features a top navigation bar with 'Circular' logo, 'Region: Singapore', 'Search', and language 'English'. Below the header is a large 'EXPERIENCE TECH' title with a subtitle 'Pay monthly. Keep for as long as you want. If you love it, buy it! Extending useful life of electronics.' A prominent 'SHOP NOW' button is centered. A 'Popular Products' section shows three placeholder products with labels like 'Product Product Condition: blah blah \$XX.XX /mon'. Below this is a 'HERE'S HOW IT WORKS' section with three steps labeled 'STEP 1: blablabl' and a 'SHOP NOW' button.

Categories Page

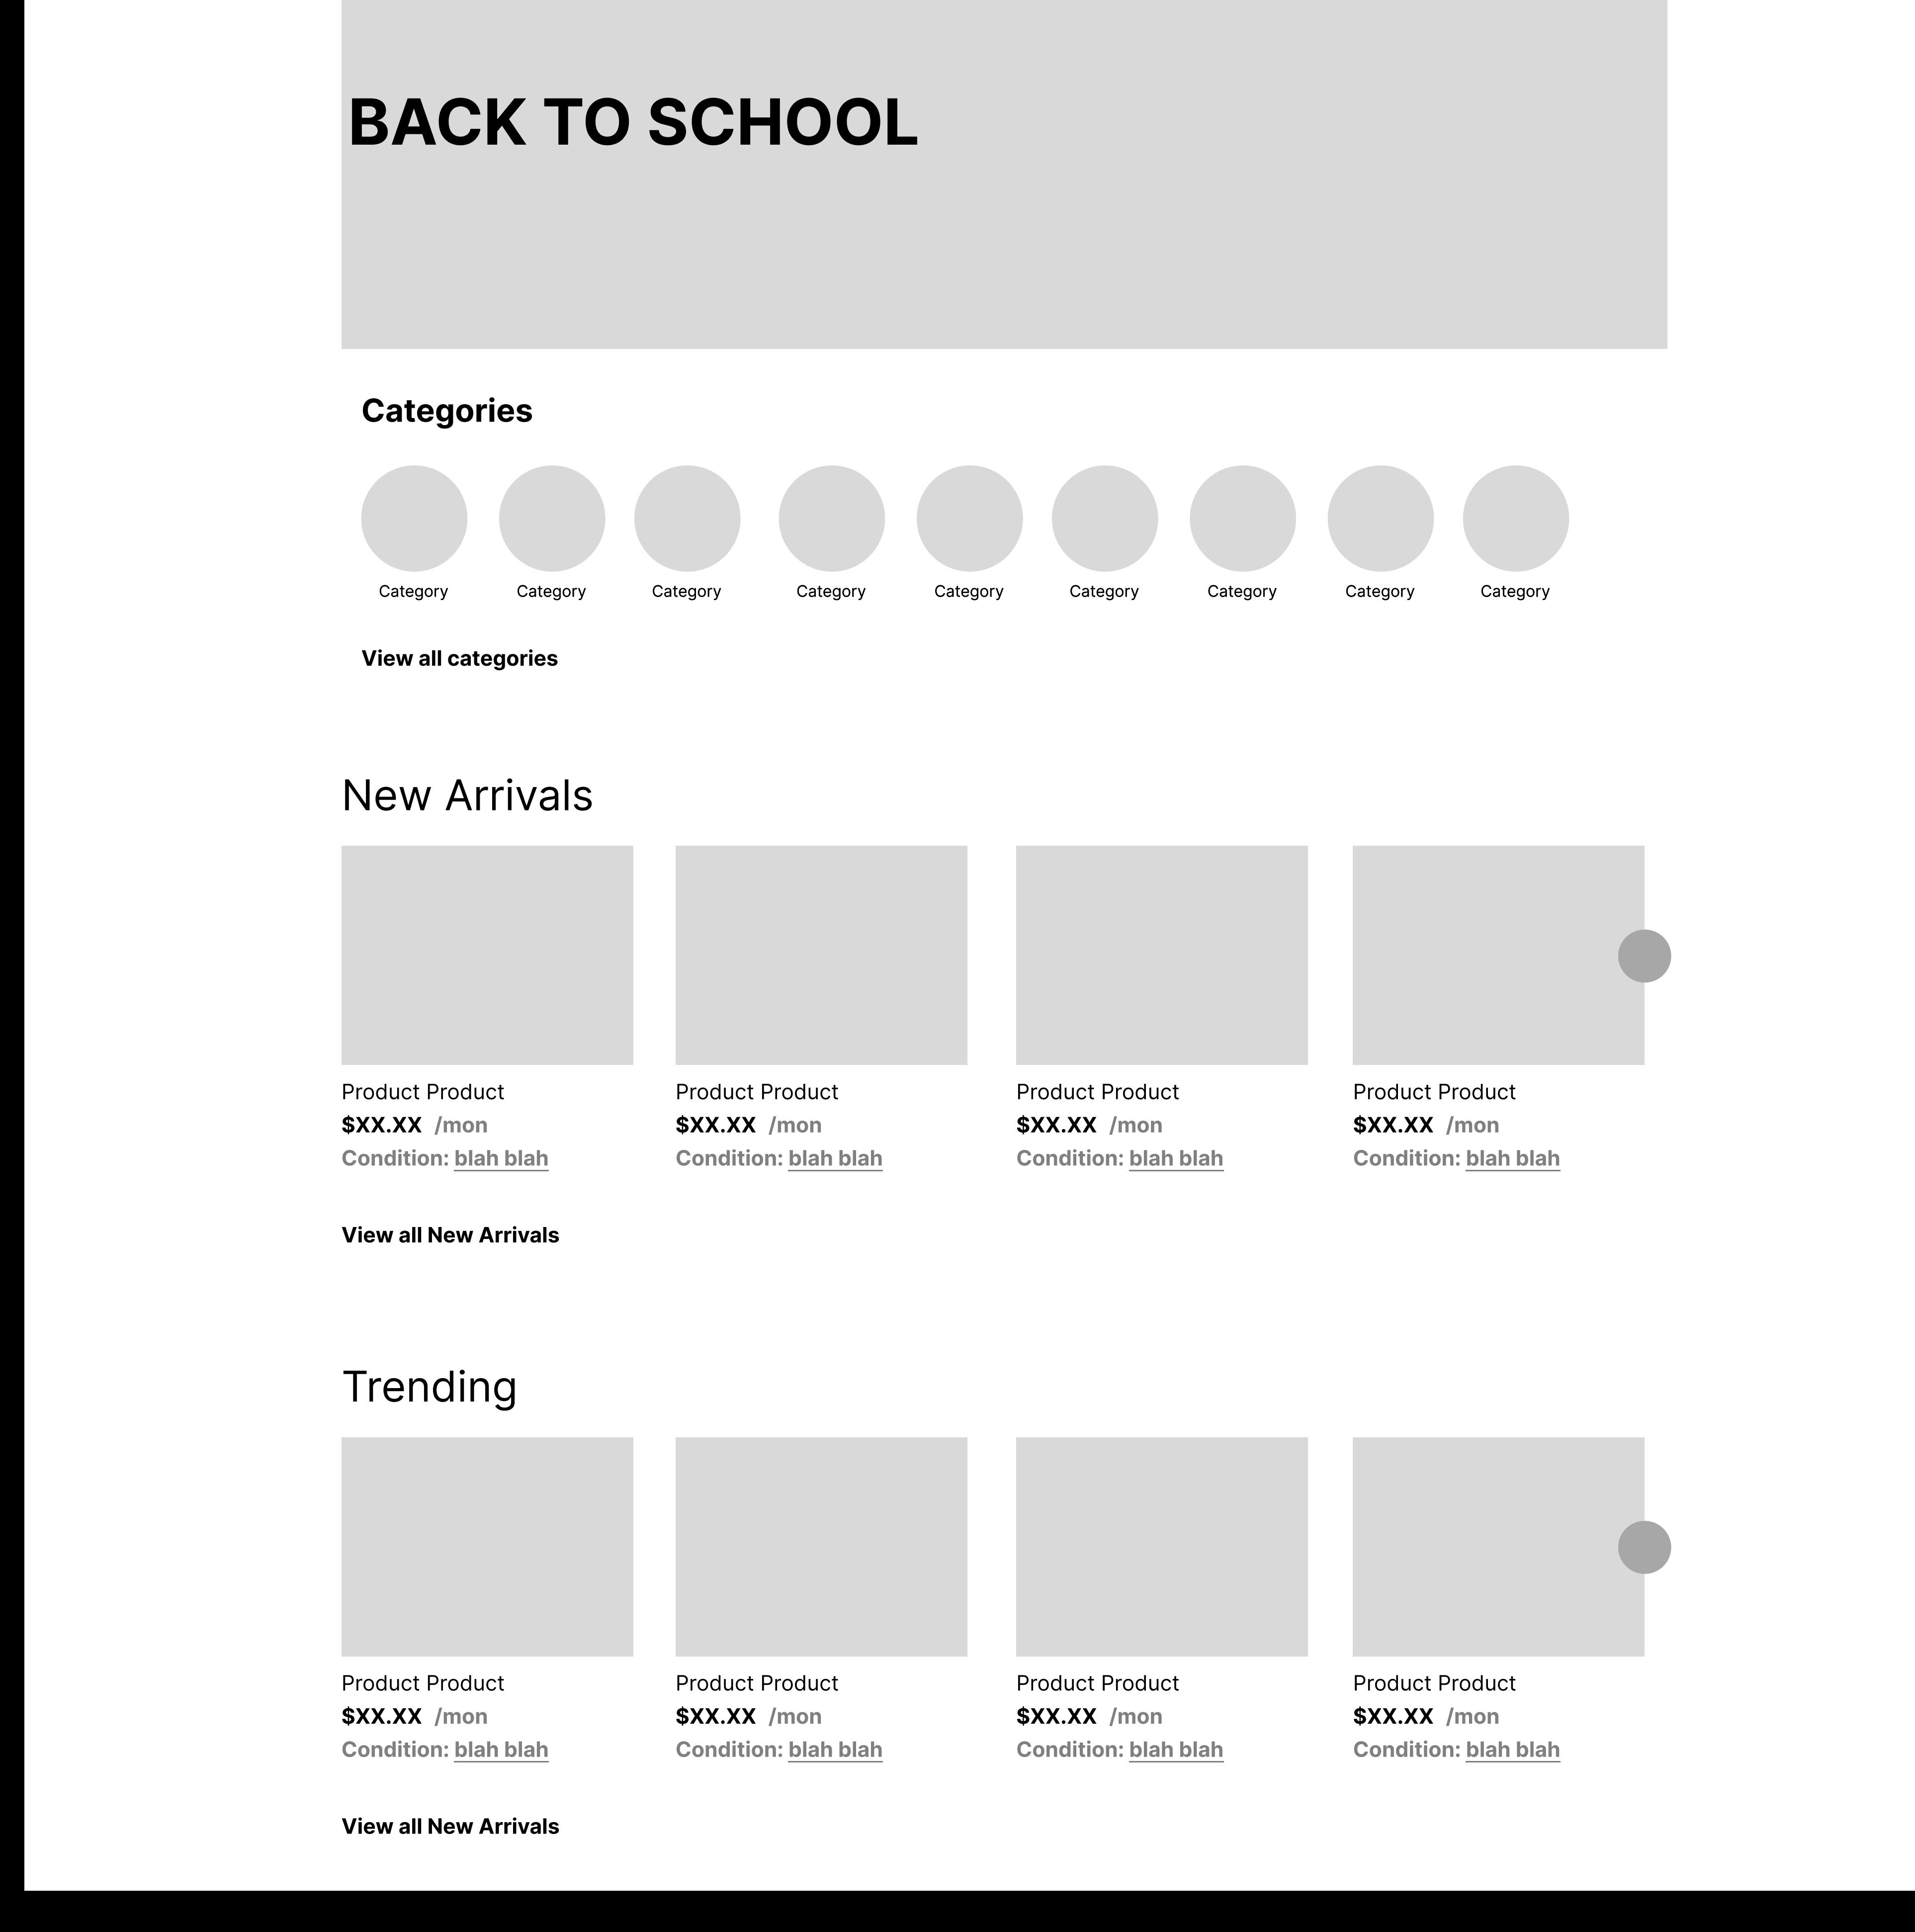

The categories page has a top navigation bar with 'Circular', 'Region: Singapore', 'Search', and 'English'. It features a 'Catalog' section with three circular icons: 'Newest Drops', 'Recommended Picks', and 'Hot Drops' (highlighted with a red outline). Below is a grid of ten placeholder products labeled 'Example Example Example Example Example Example Example Example Example Example'.

Explore Page (Logged In)

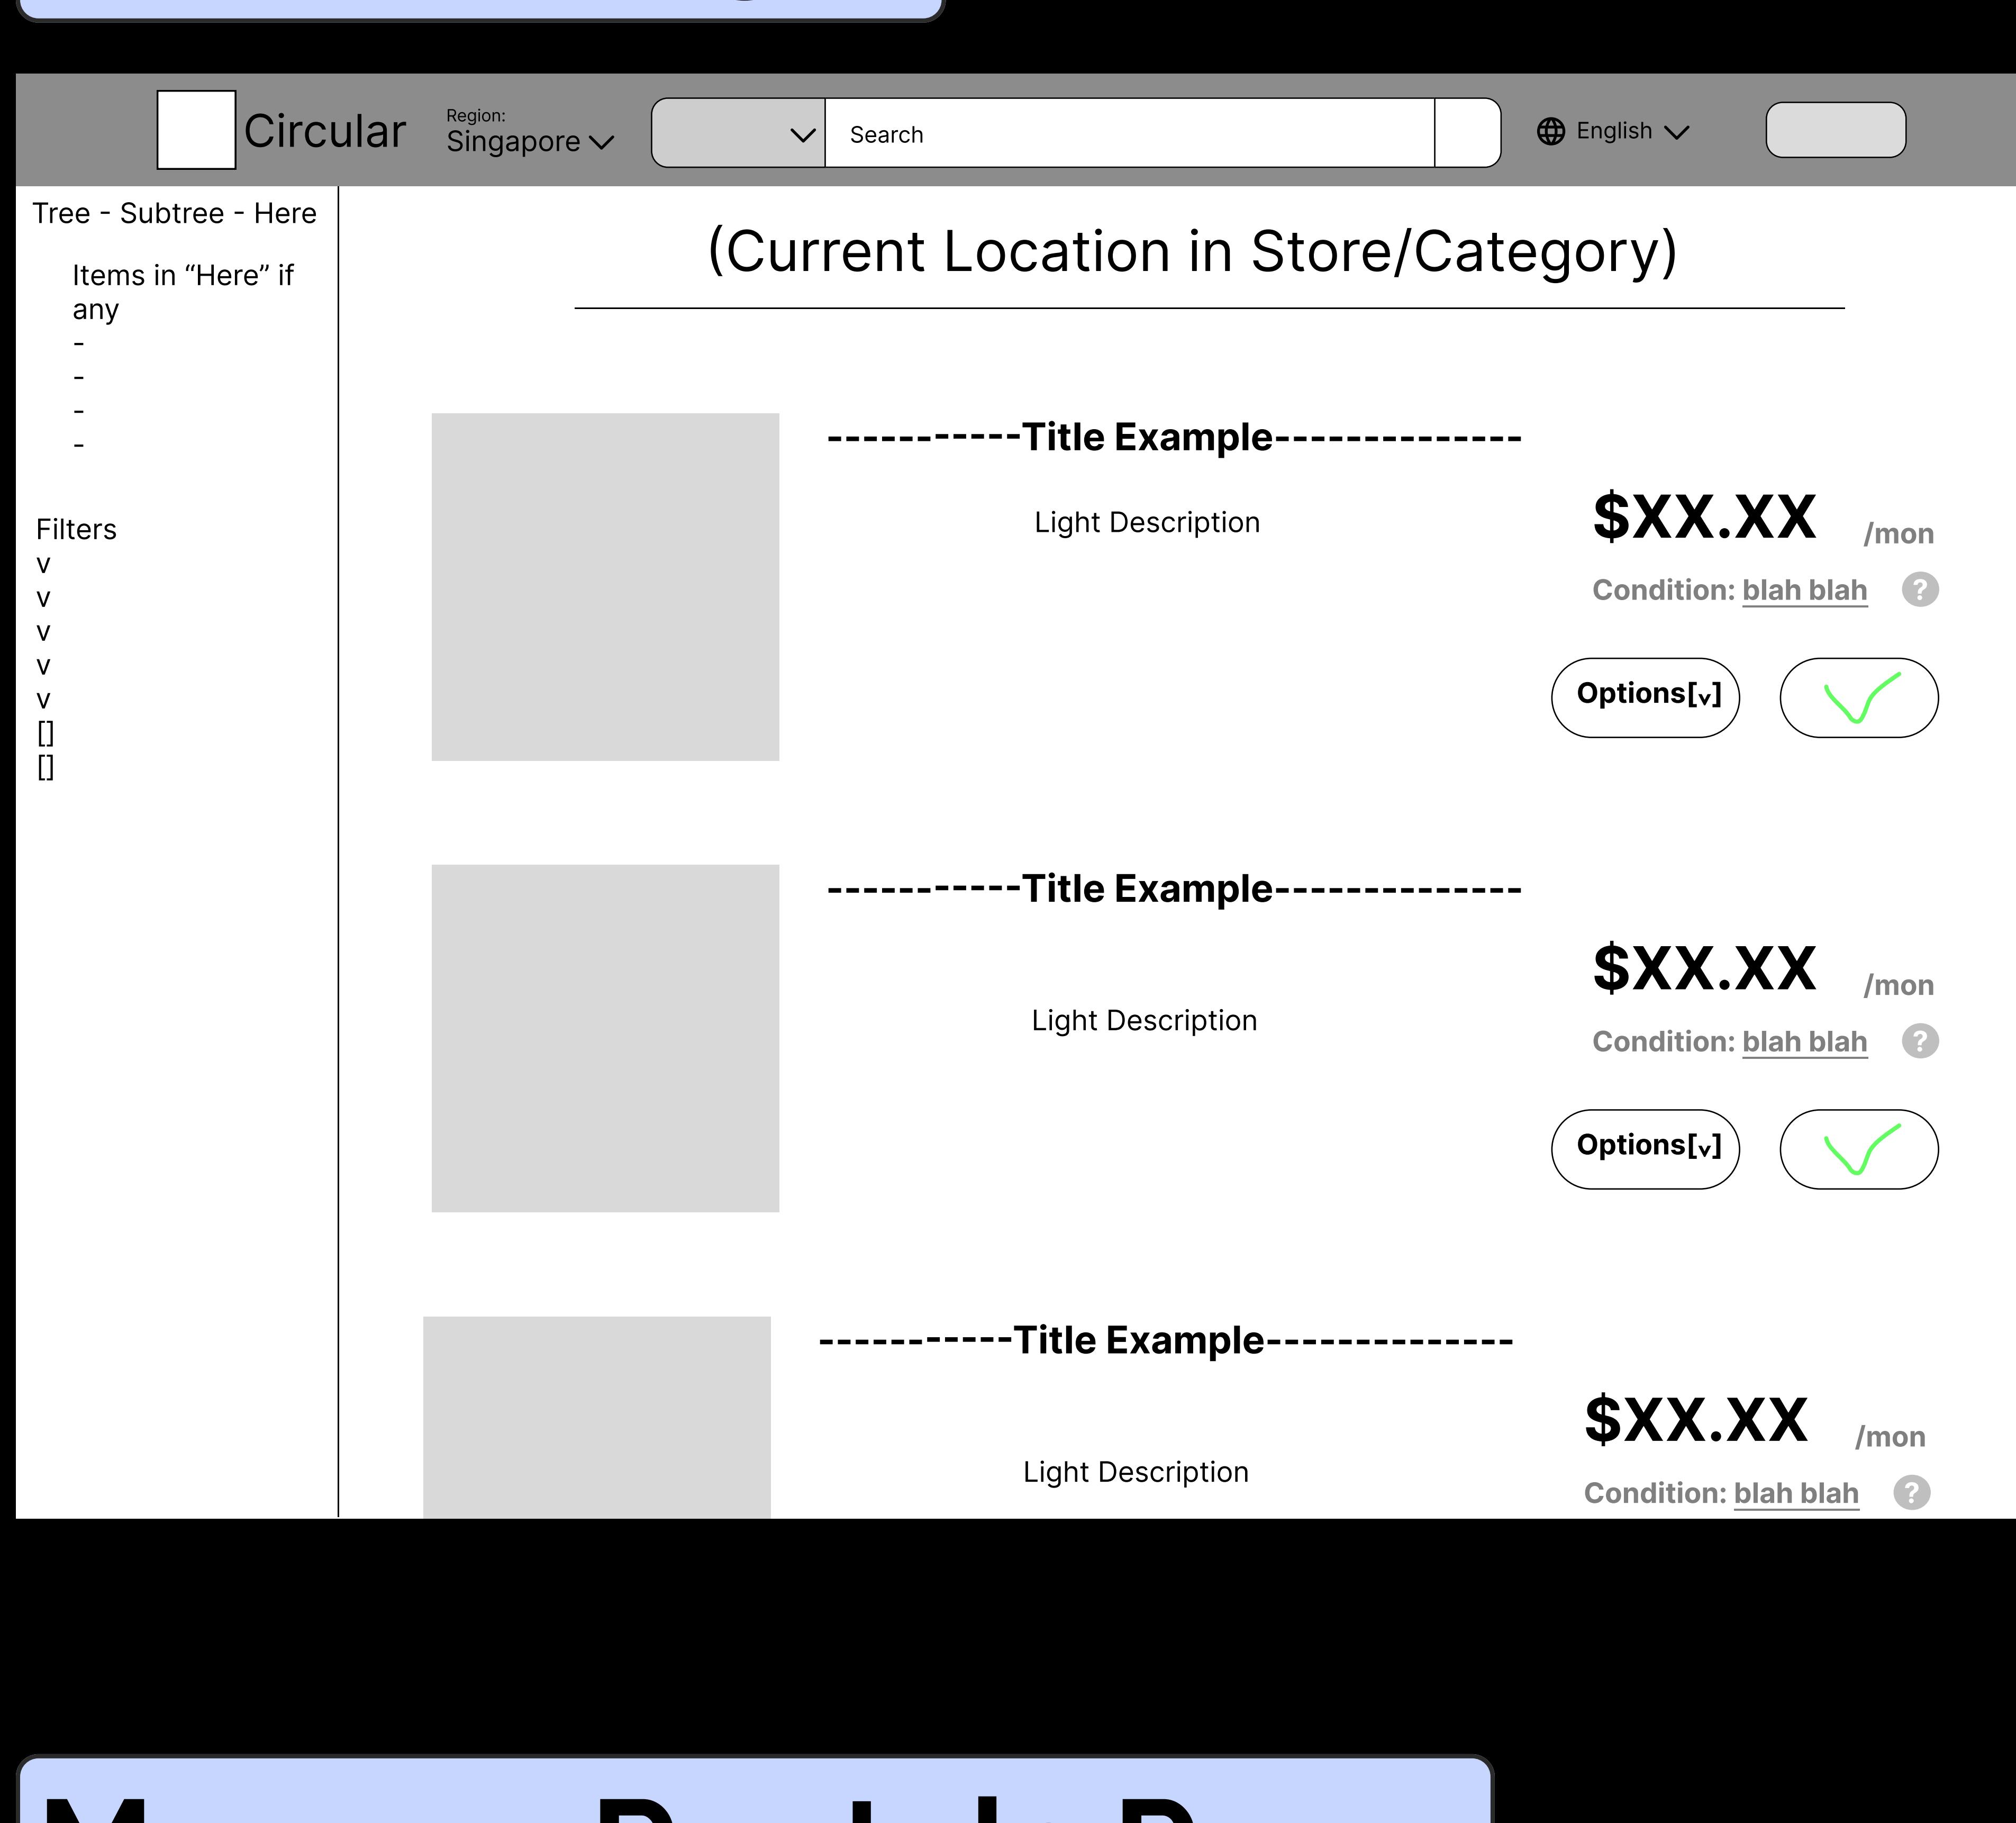

The explore page for logged-in users includes a 'BACK TO SCHOOL' banner. Below are sections for 'Your Subscriptions' (three placeholder cards), 'Hot Categories' (five placeholder cards), 'New Arrivals' (four placeholder cards), and 'Trending' (four placeholder cards). Each card includes a 'View all [Category]' link.

Explore Page (Logged Out)

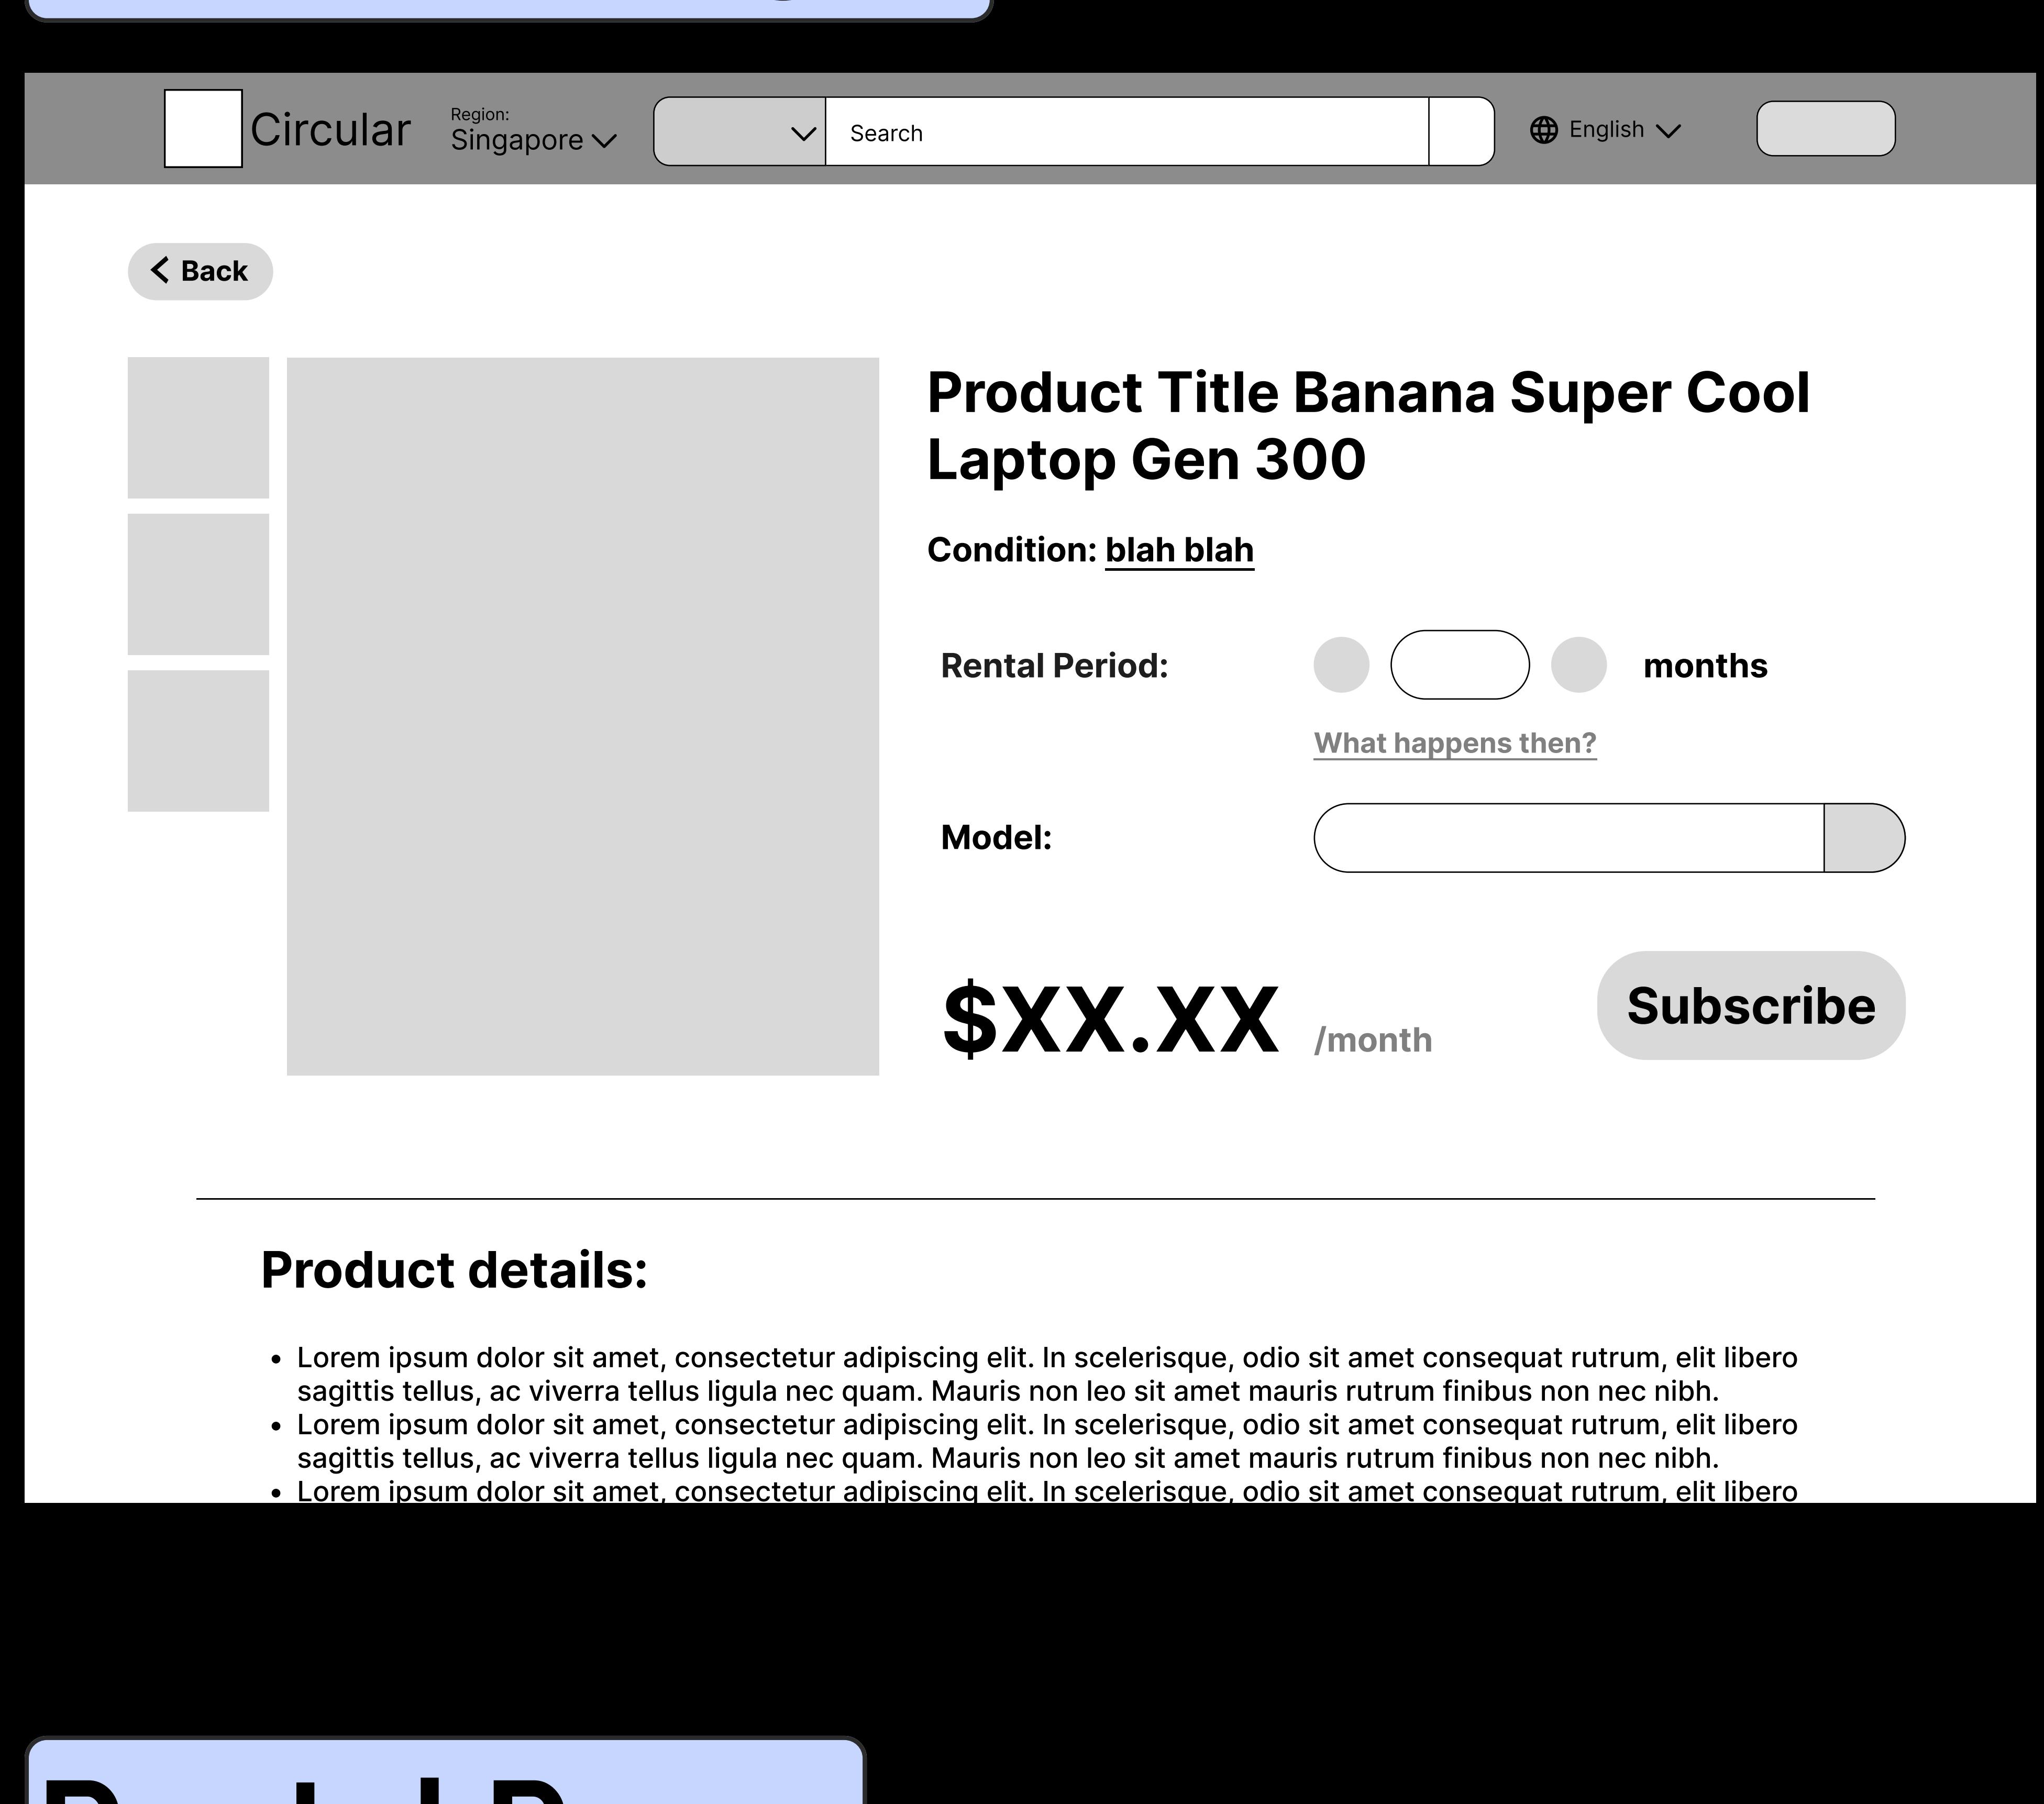

The explore page for logged-out users is similar to the logged-in version but lacks user-specific data. It features a 'BACK TO SCHOOL' banner and sections for 'Categories' (ten placeholder cards), 'New Arrivals' (four placeholder cards with 'View all New Arrivals' links), and 'Trending' (four placeholder cards with 'View all New Arrivals' links).

Browse Page

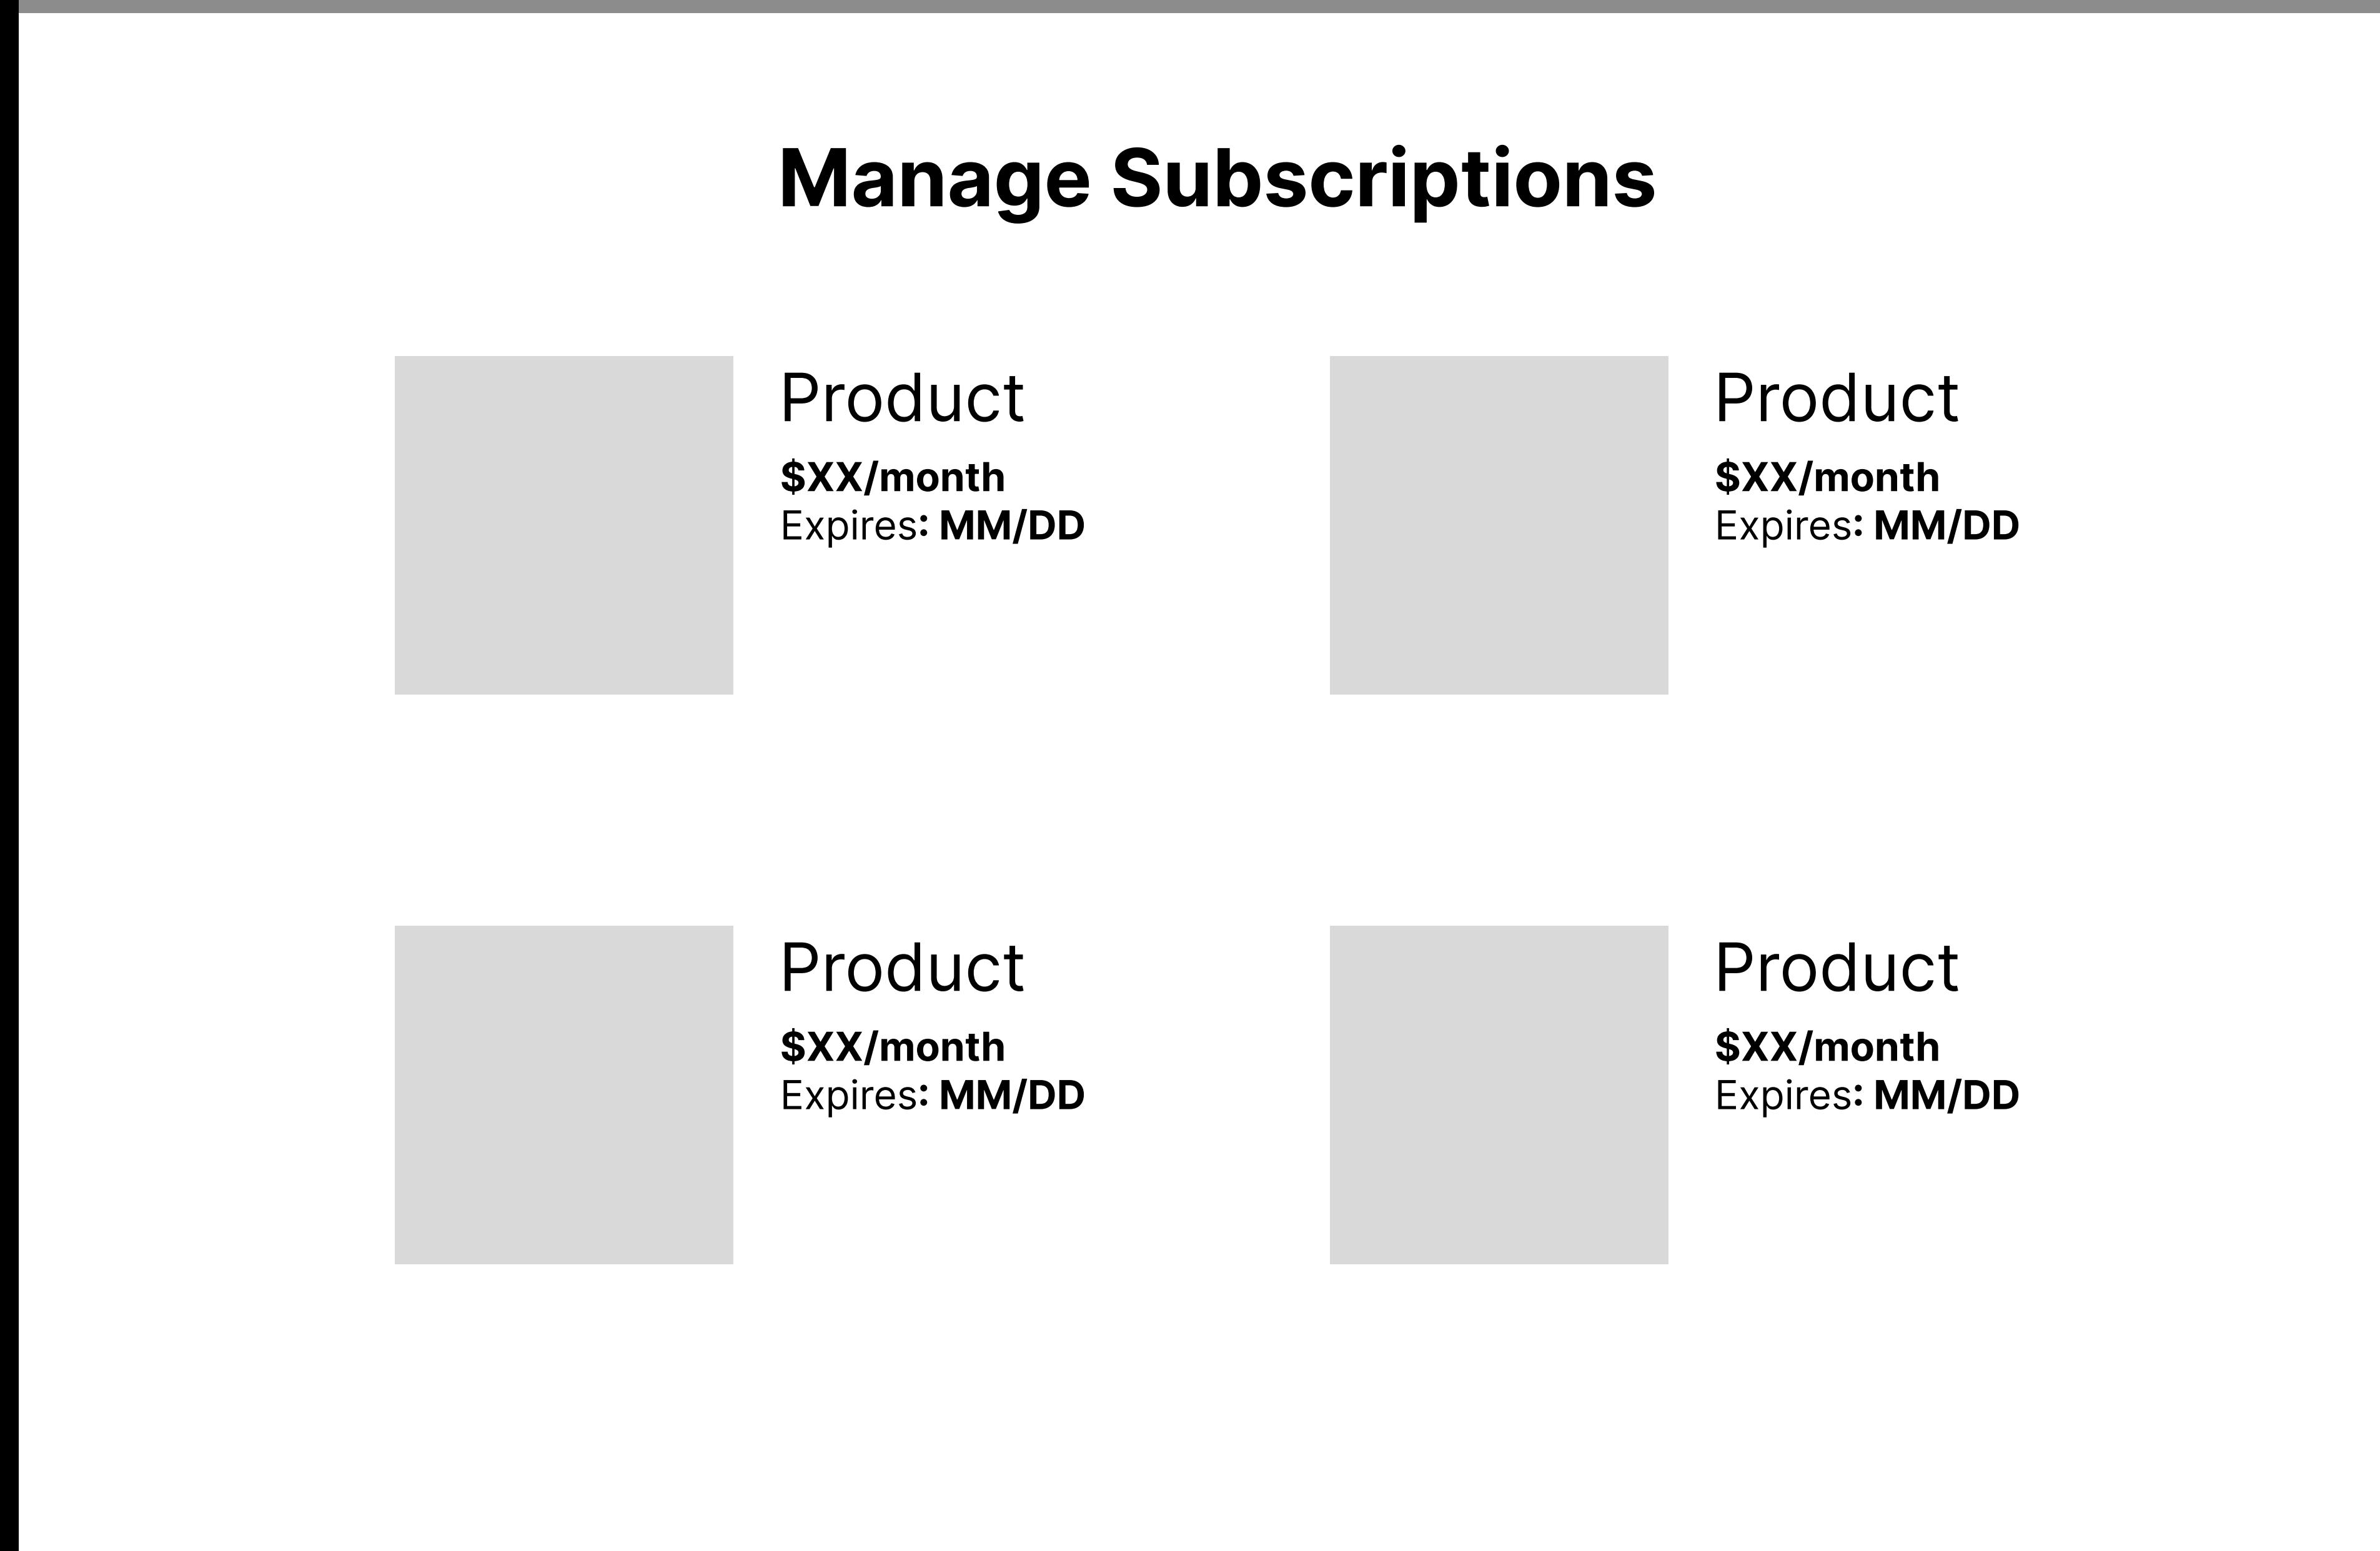

The browse page shows a sidebar with a tree view ('Tree - Subtree ~ Here') and filters. The main area displays a search bar and a list of items under '(Current Location in Store/Category)'. Each item is a 'Title Example' card with a placeholder image, 'Light Description', price '\$XX.XX /mon', condition 'Condition: blah blah', and a 'Options[]' button with a green checkmark.

Product Page

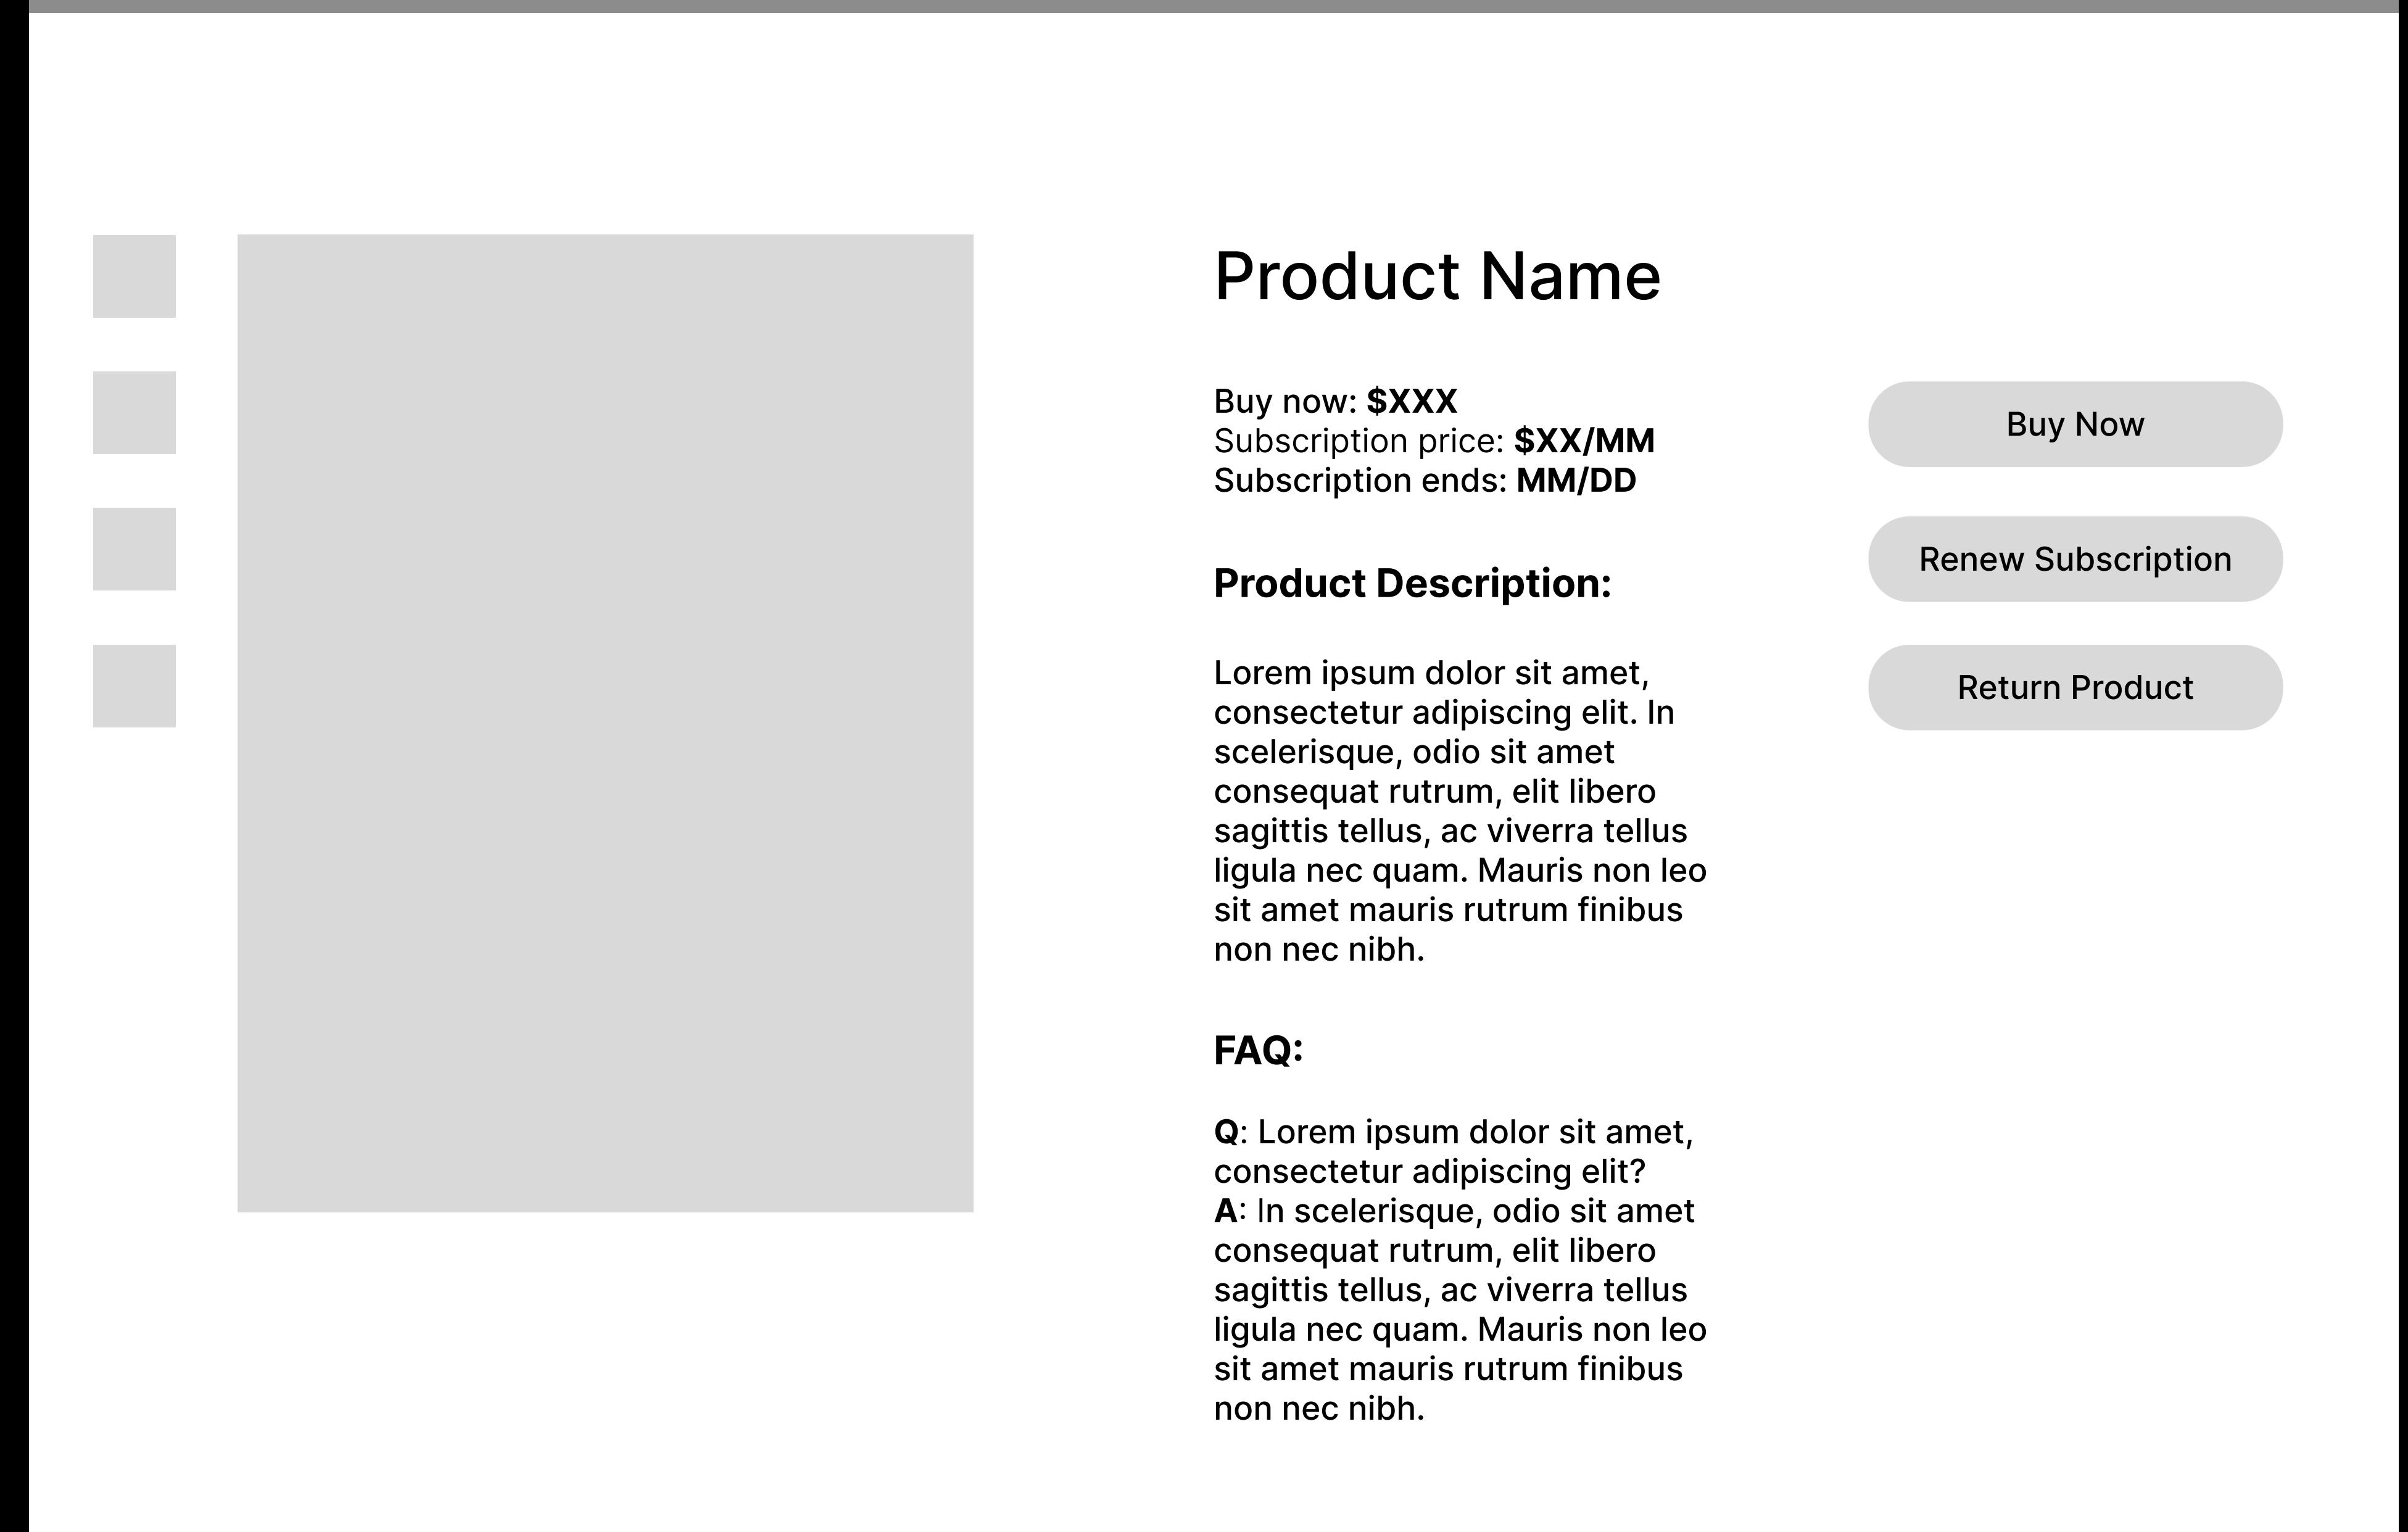

The product page for 'Banana Super Cool Laptop Gen 300' shows a large image, the product title, condition 'Condition: blah blah', rental period (two radio buttons for 'months'), model (a slider), and a 'Subscribe' button. Below is a 'Product details' section with a list of lorem ipsum text and a 'FAQ' section at the bottom.

Manage Rentals Page

The manage rentals page features a top navigation bar and a 'Manage Subscriptions' section. It lists four placeholder subscription cards with labels like 'Product \$XX/month Expires: MM/DD'.

Rental Page

The rental page for a product shows a placeholder image, 'Product Name', 'Buy now' button, 'Renew Subscription' button, and 'Return Product' button. It also includes a 'Product Description' section with lorem ipsum text and a 'FAQ' section at the bottom.
