

Landing Page

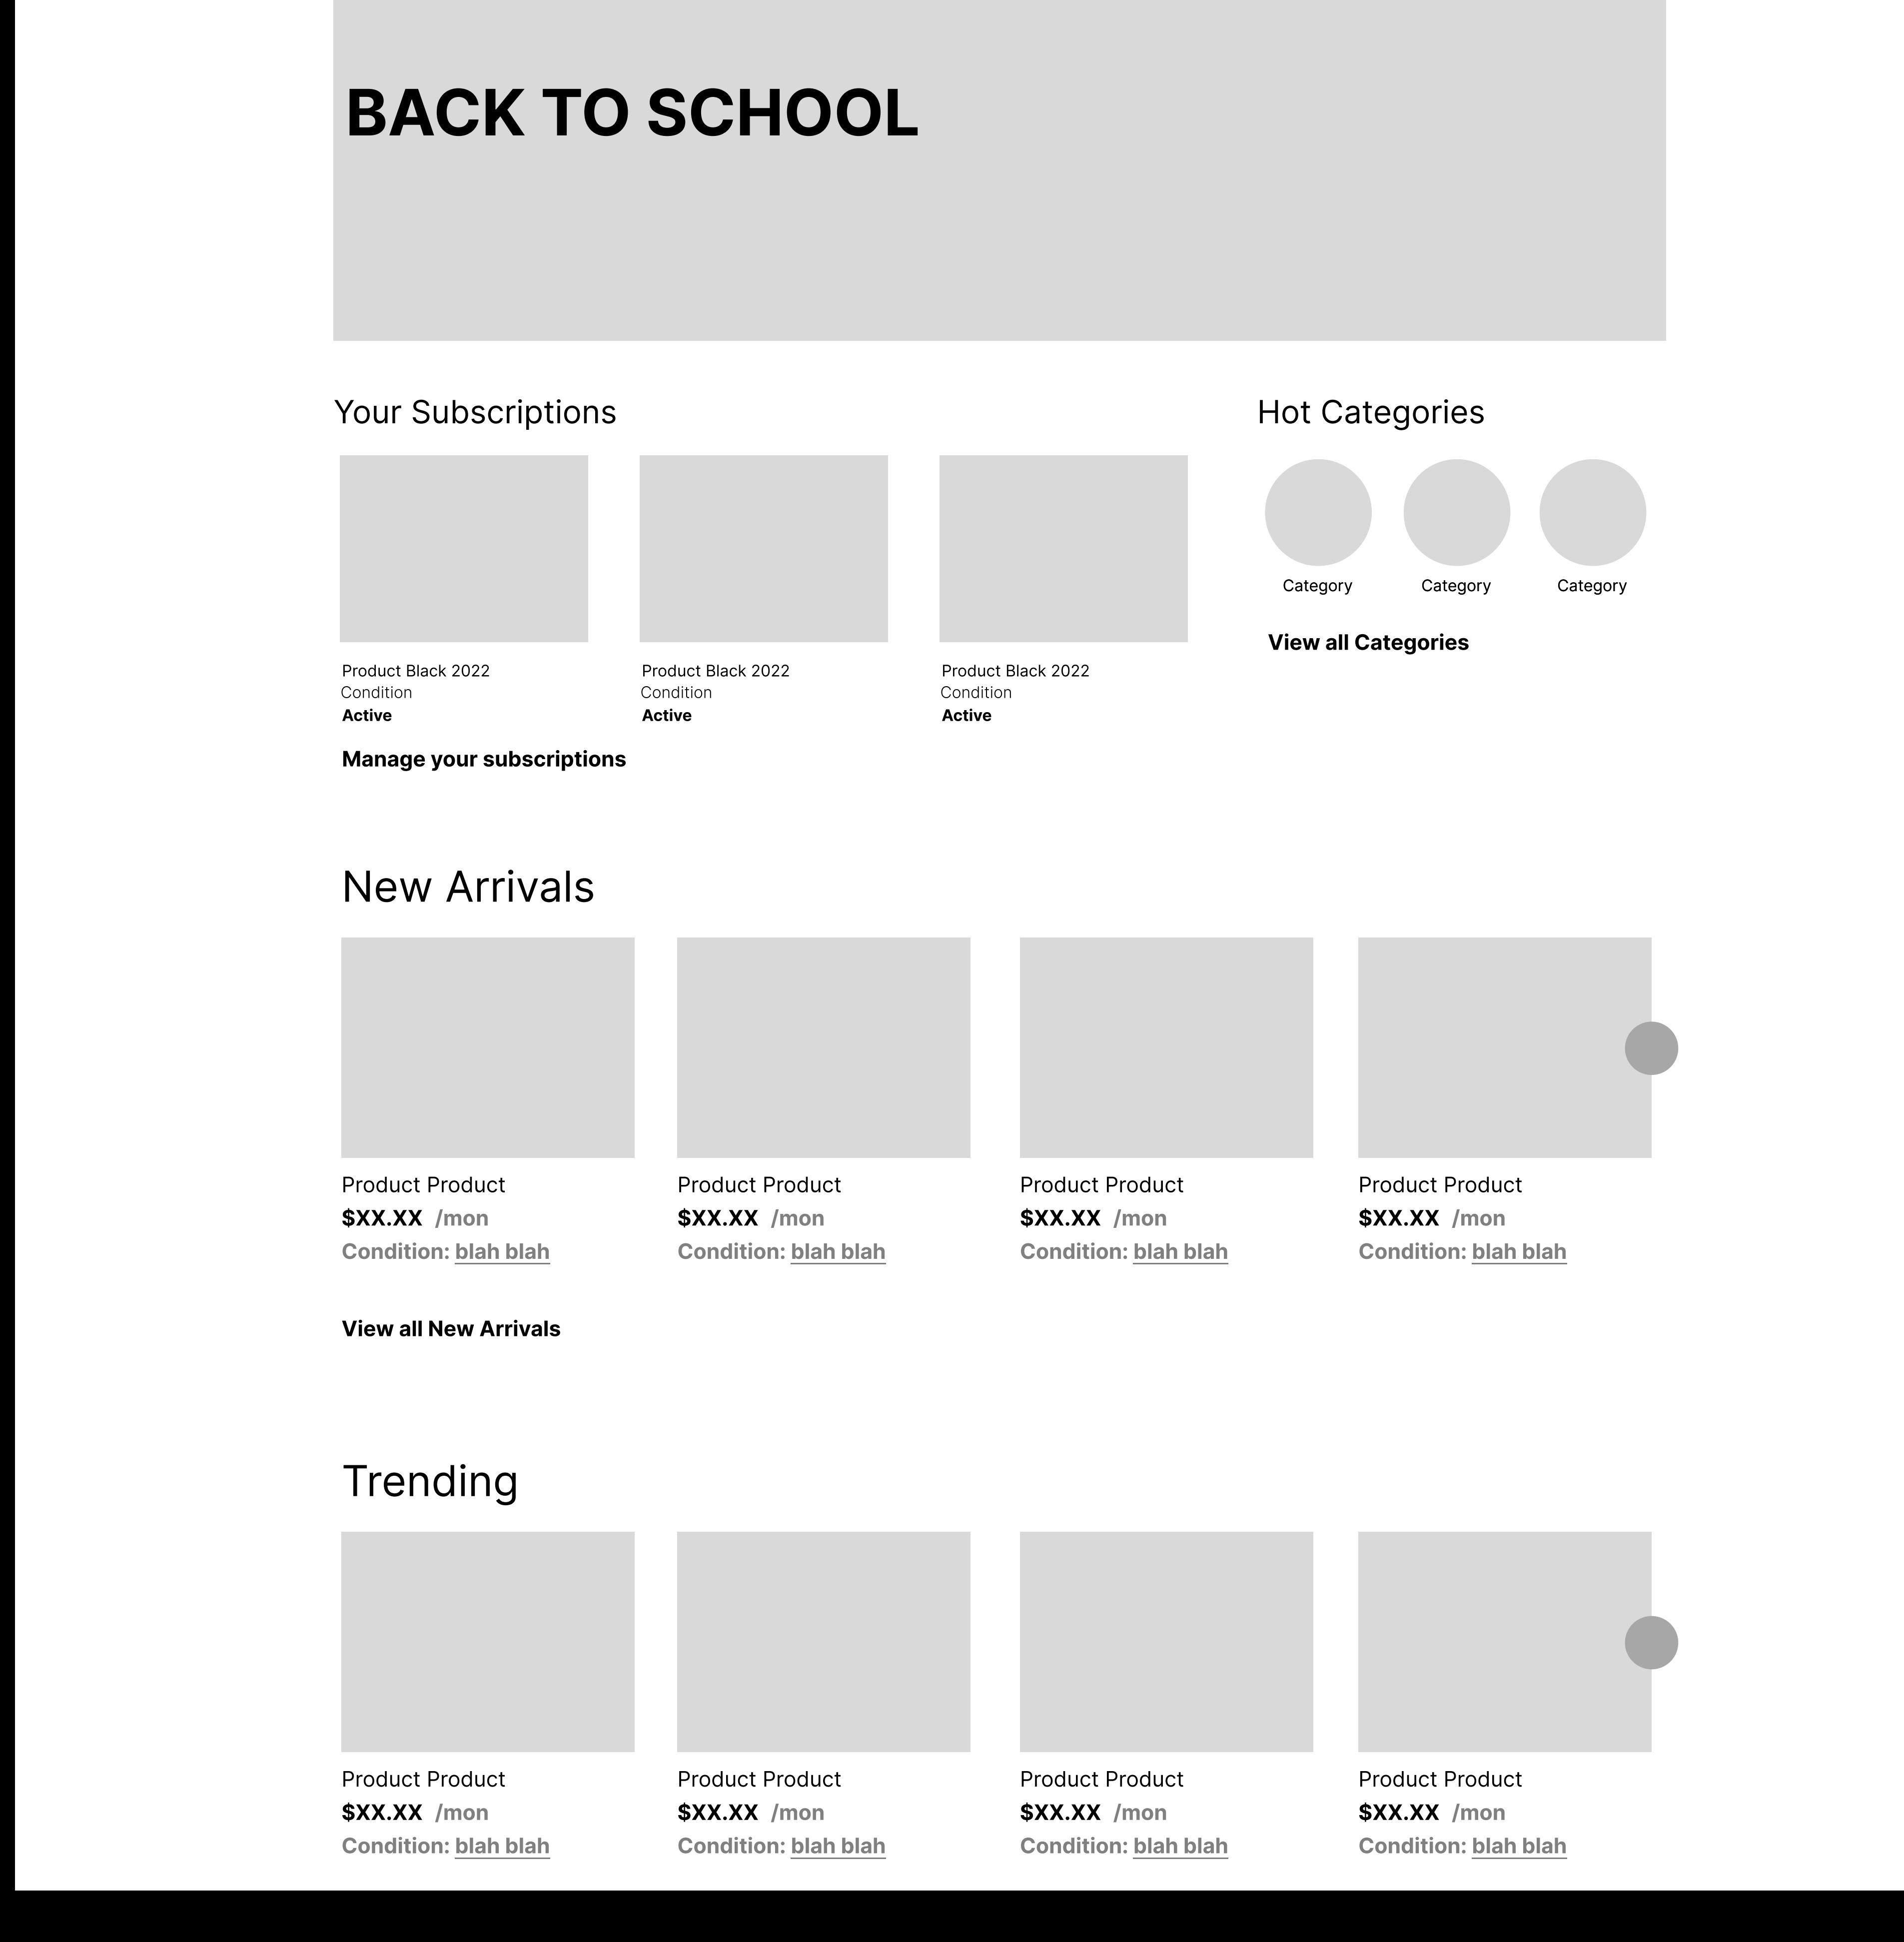

The landing page features a top navigation bar with 'Circular' logo, 'Region: Singapore', 'Search', and language 'English'. Below the header is a large banner with the text 'EXPERIENCE TECH' and a subtext 'Pay monthly. Keep for as long as you want. If you love it, buy it! Extending useful life of electronics.' A 'SHOP NOW' button is centered below the banner. A section titled 'Popular Products' displays three placeholder products with the same details: 'Product Product Condition: blah blah \$XX.XX /mon'. Below this is a section titled 'HERE'S HOW IT WORKS' showing three steps: 'STEP 1: blablabl', 'STEP 1: blablabl', and 'STEP 1: blablabl', each with a 'SHOP NOW' button.

Categories Page

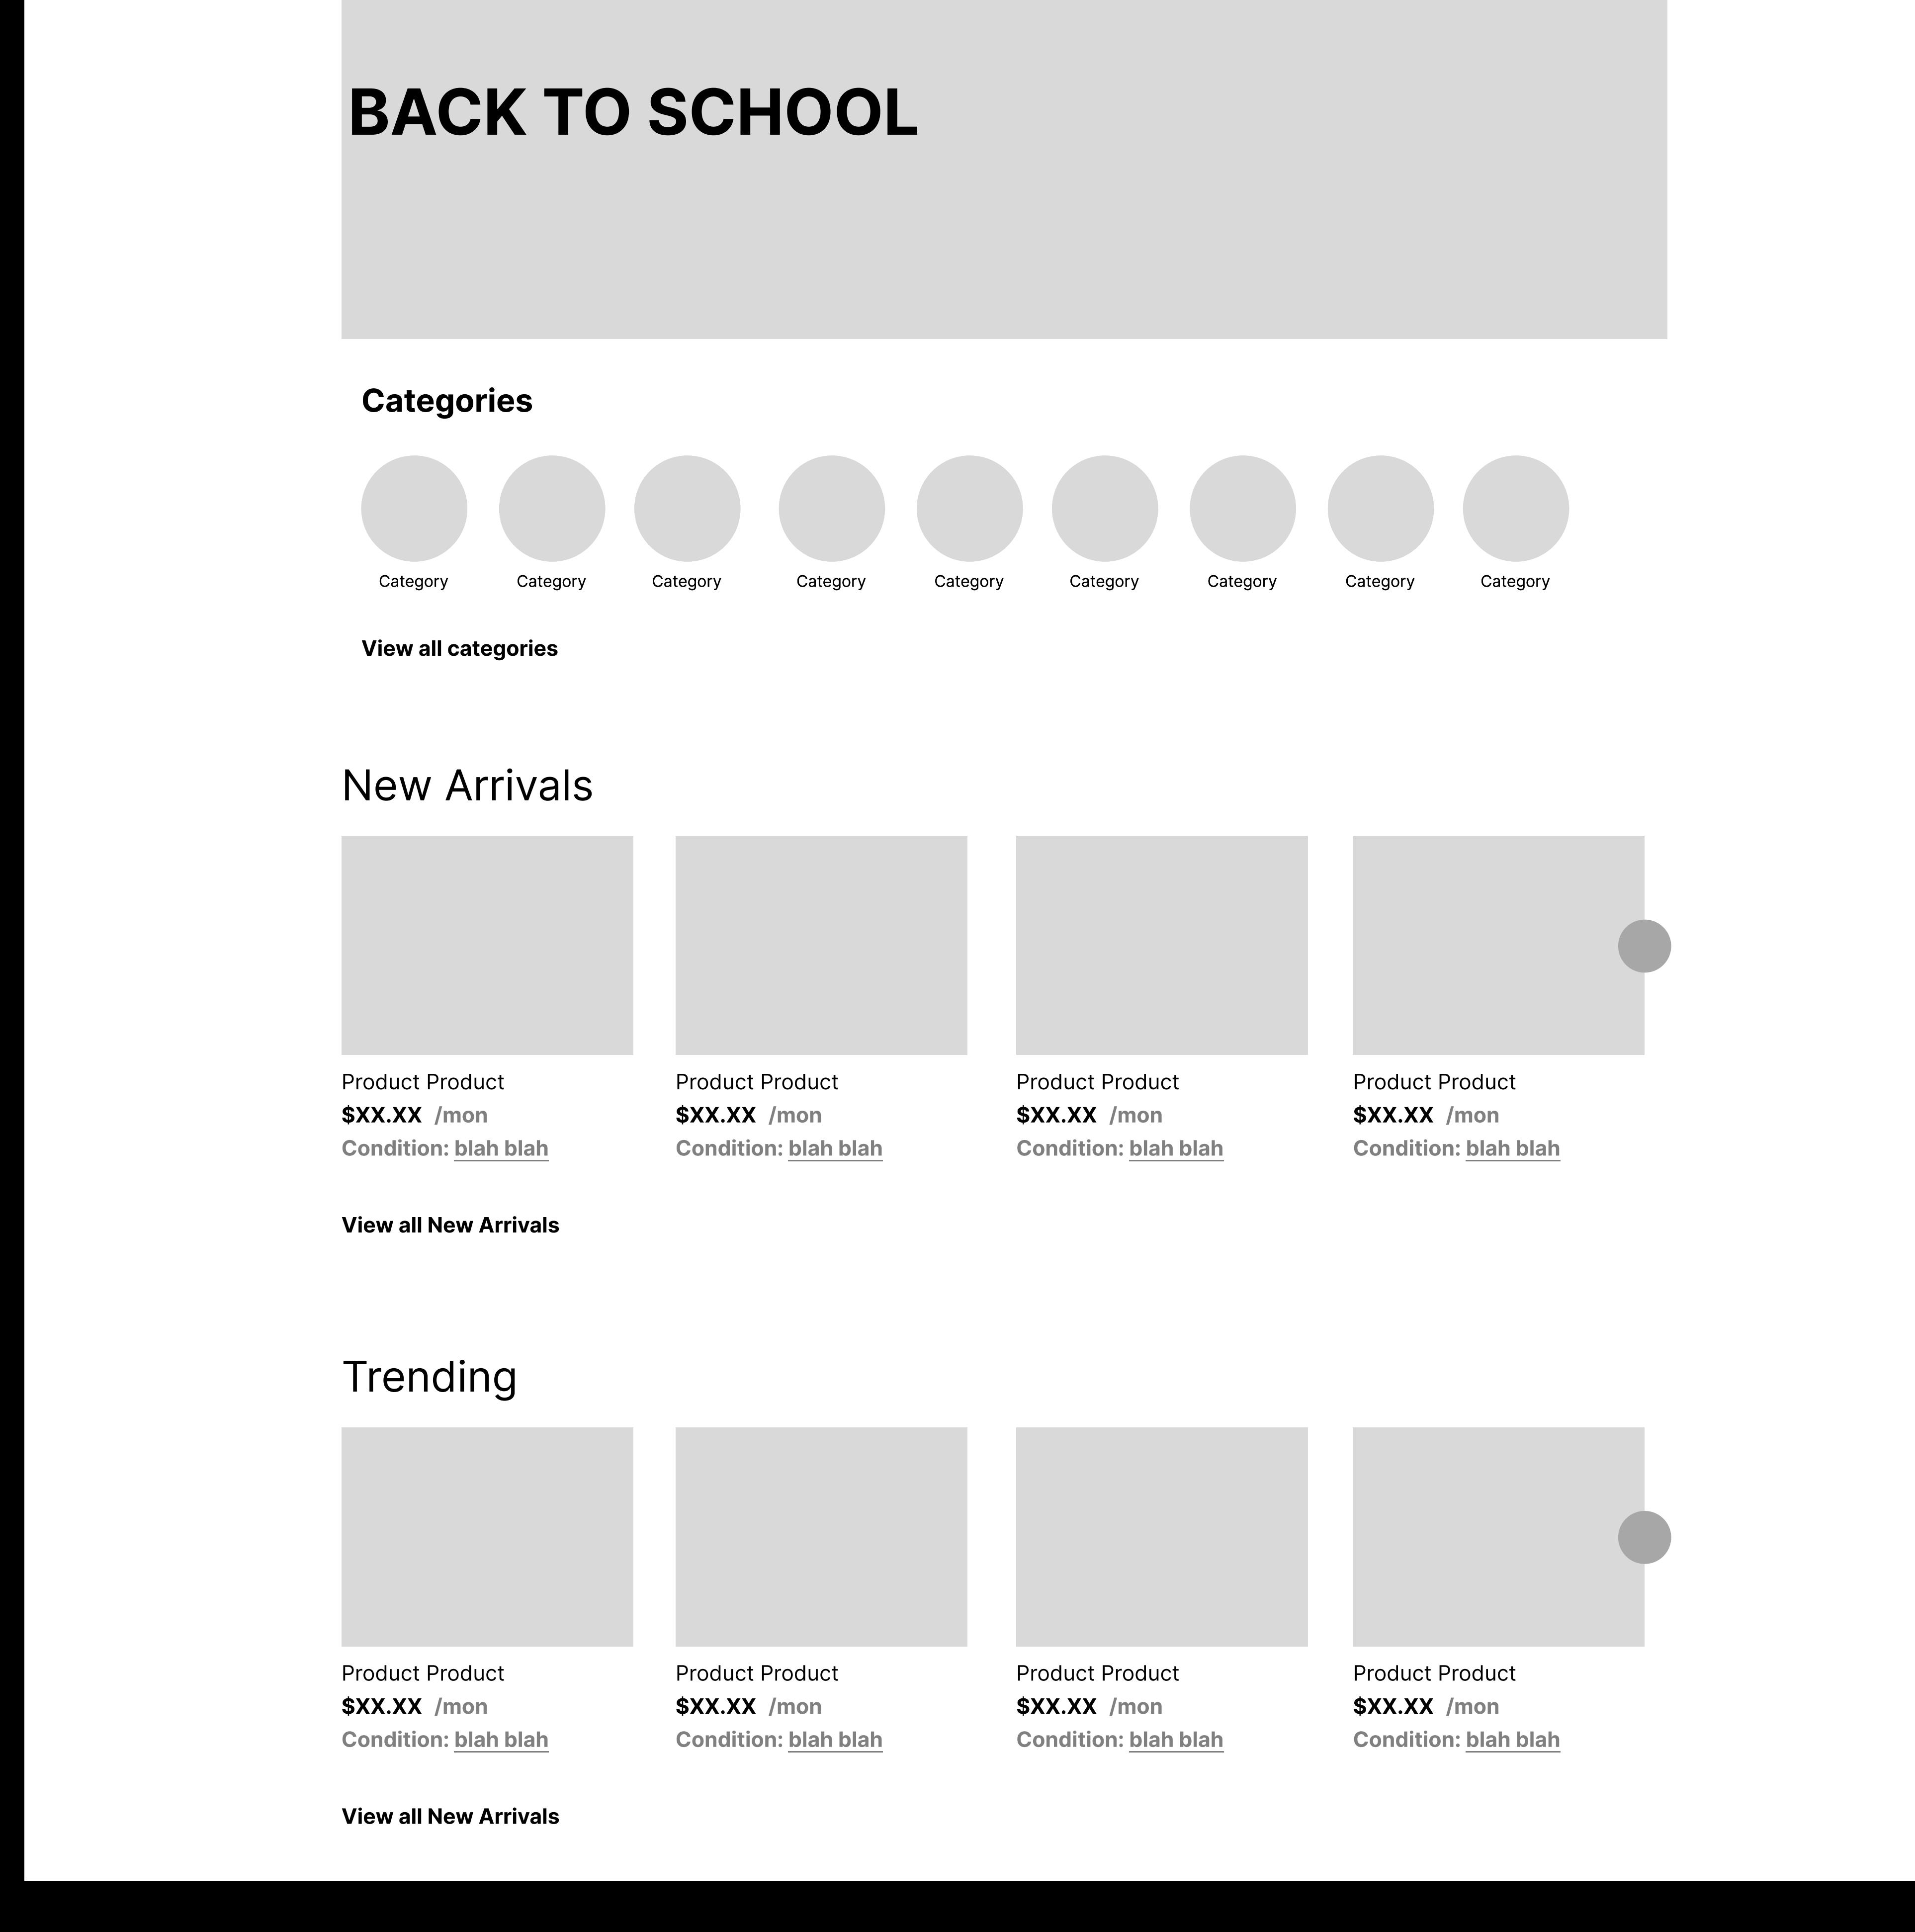

The categories page has a header with 'Circular', 'Region: Singapore', 'Search', and 'English'. It features a 'Catalog' section with three circular icons: 'Newest Drops', 'Recommended Picks', and 'Hot Drops' (highlighted with a red outline). Below this is a 'Shop by Category' section with five placeholder categories labeled 'Example Example' and 'Example Example'. At the bottom, there are two rows of five placeholder categories each, labeled 'Example Example'.

Explore Page (Logged In)

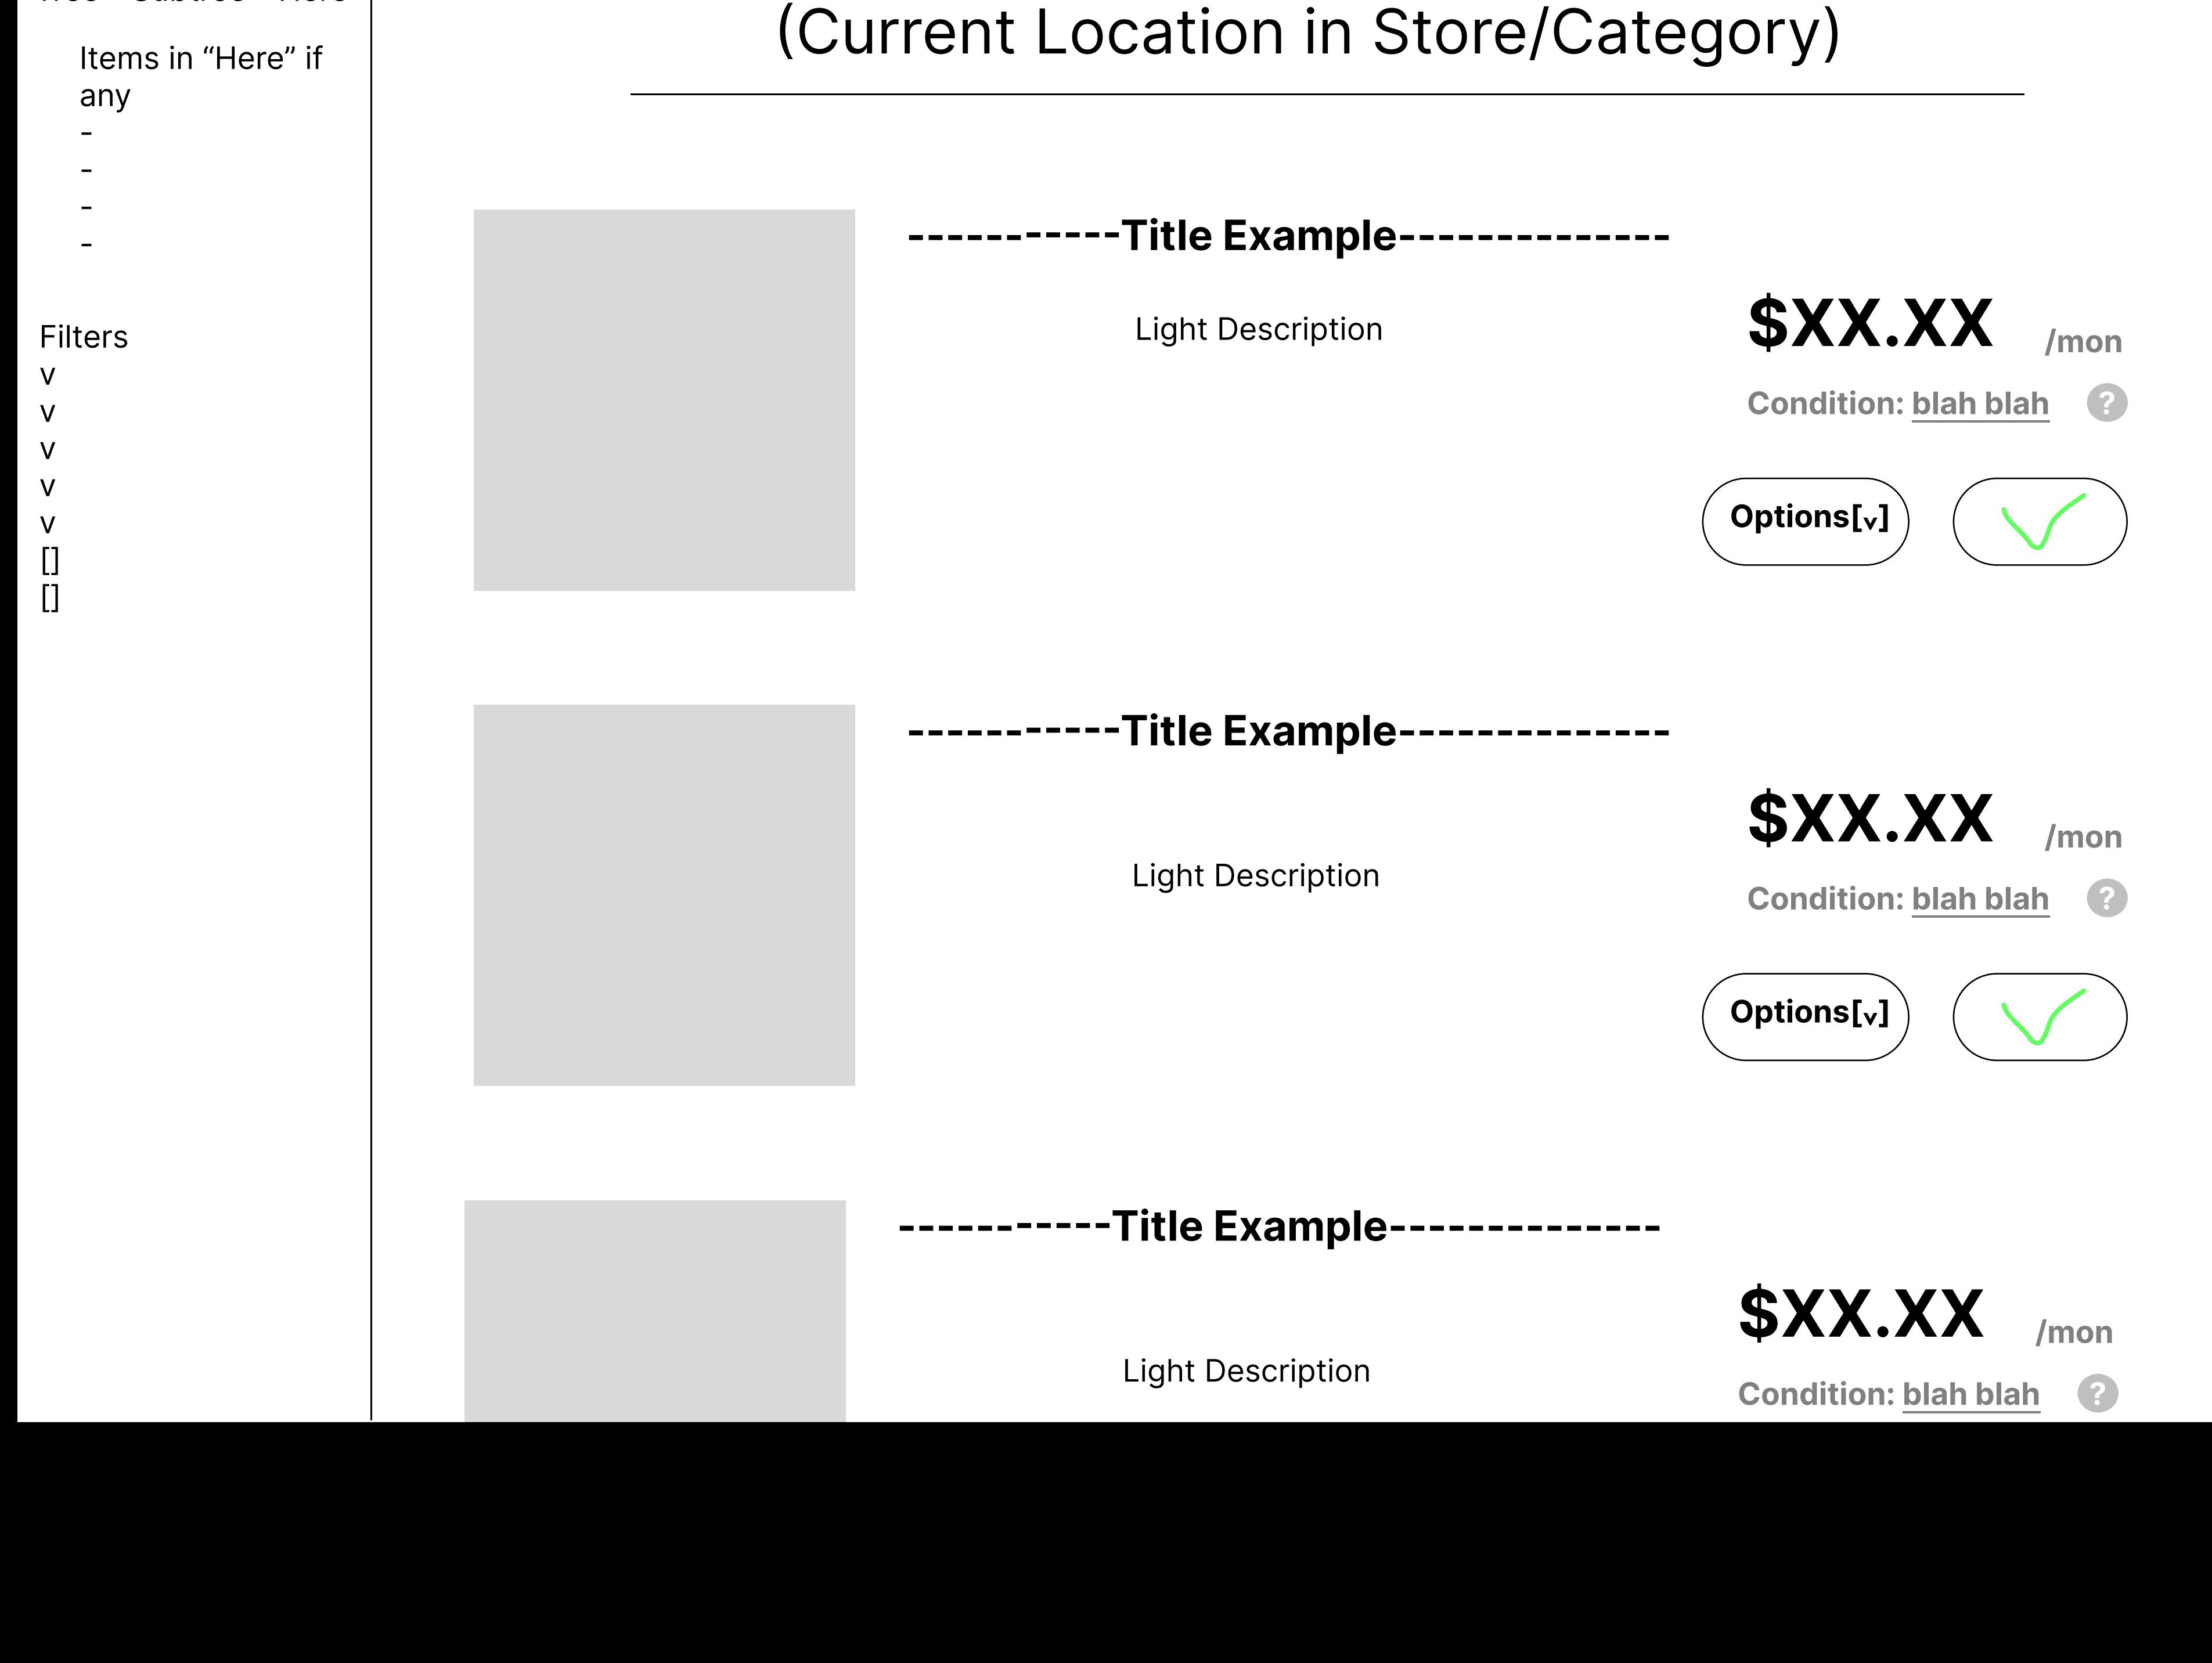

The explore page for logged-in users includes a 'BACK TO SCHOOL' banner. Below it are sections for 'Your Subscriptions' (three placeholder items), 'Hot Categories' (three placeholder categories), and 'View all Categories'. The 'New Arrivals' section shows four placeholder products with details like '\$XX.XX /mon' and 'Condition: blah blah'. The 'Trending' section also shows four placeholder products. A 'Manage your subscriptions' link is located at the bottom left.

Explore Page (Logged Out)

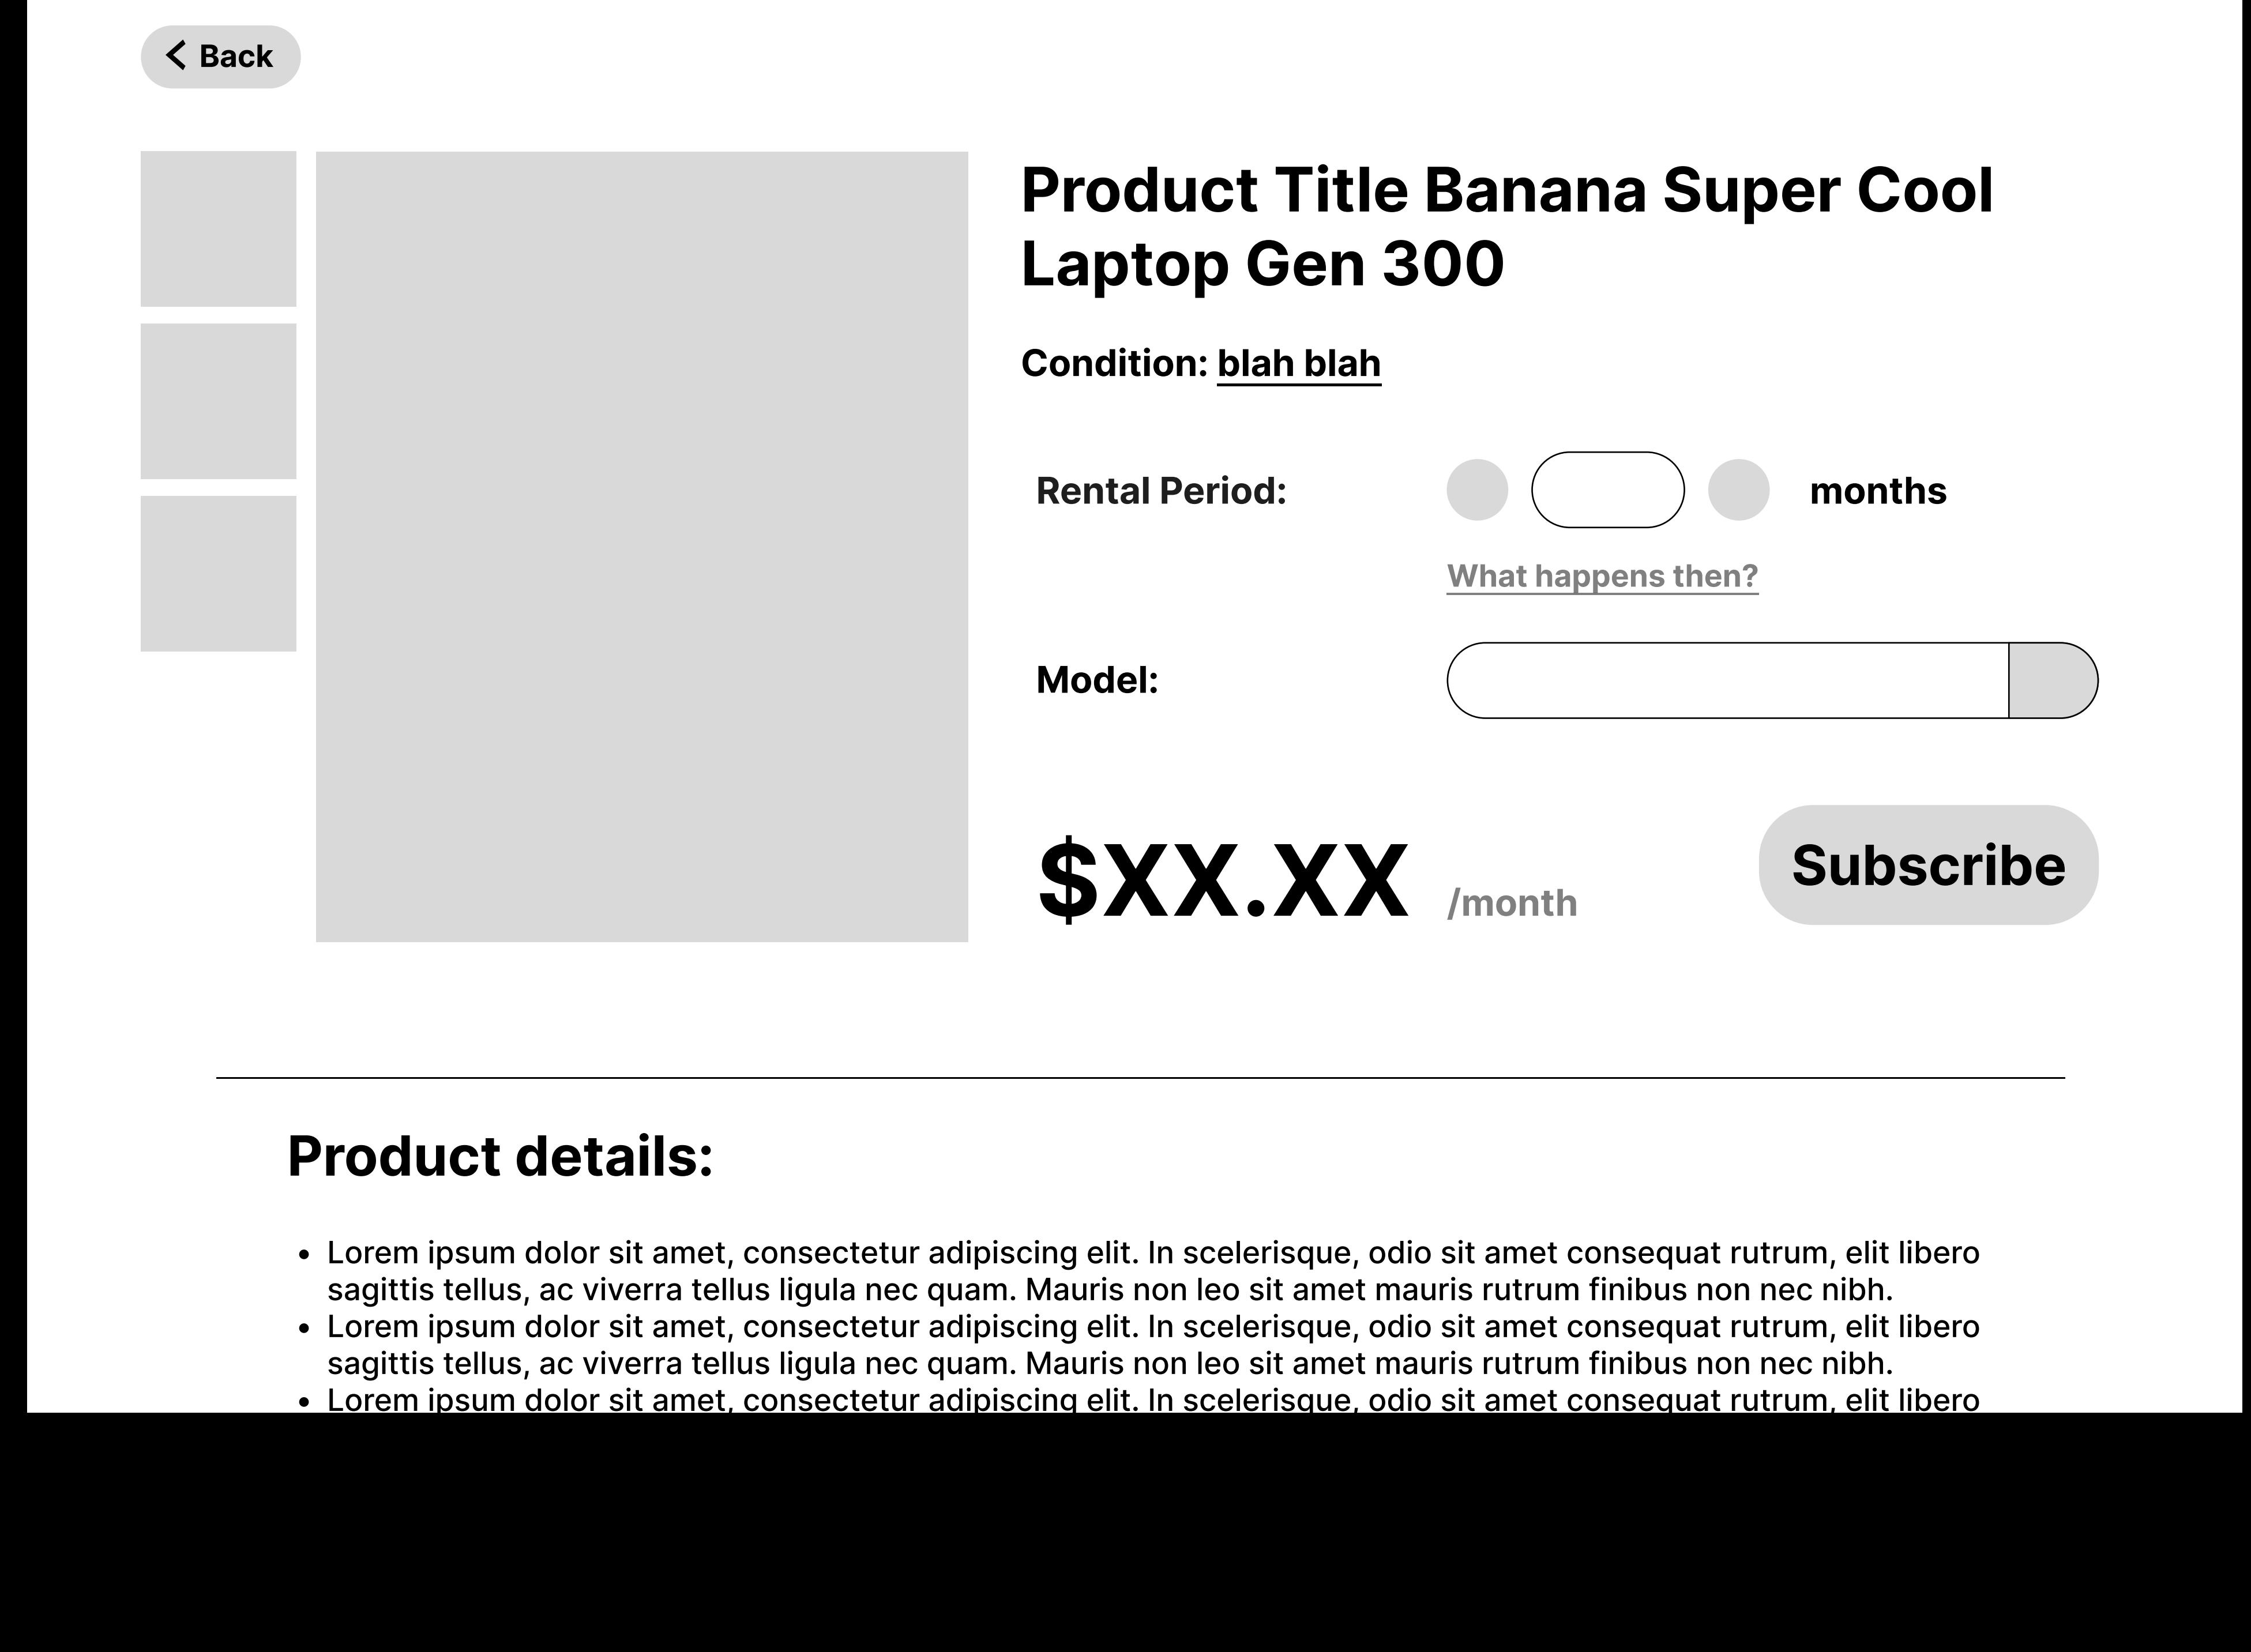

The explore page for logged-out users is similar to the logged-in version but lacks the 'Your Subscriptions' and 'Manage your subscriptions' sections. Instead, it features a 'Categories' section with ten placeholder categories, a 'New Arrivals' section with four placeholder products, and a 'Trending' section with four placeholder products. Each product item includes a 'View all New Arrivals' link.

Browse Page

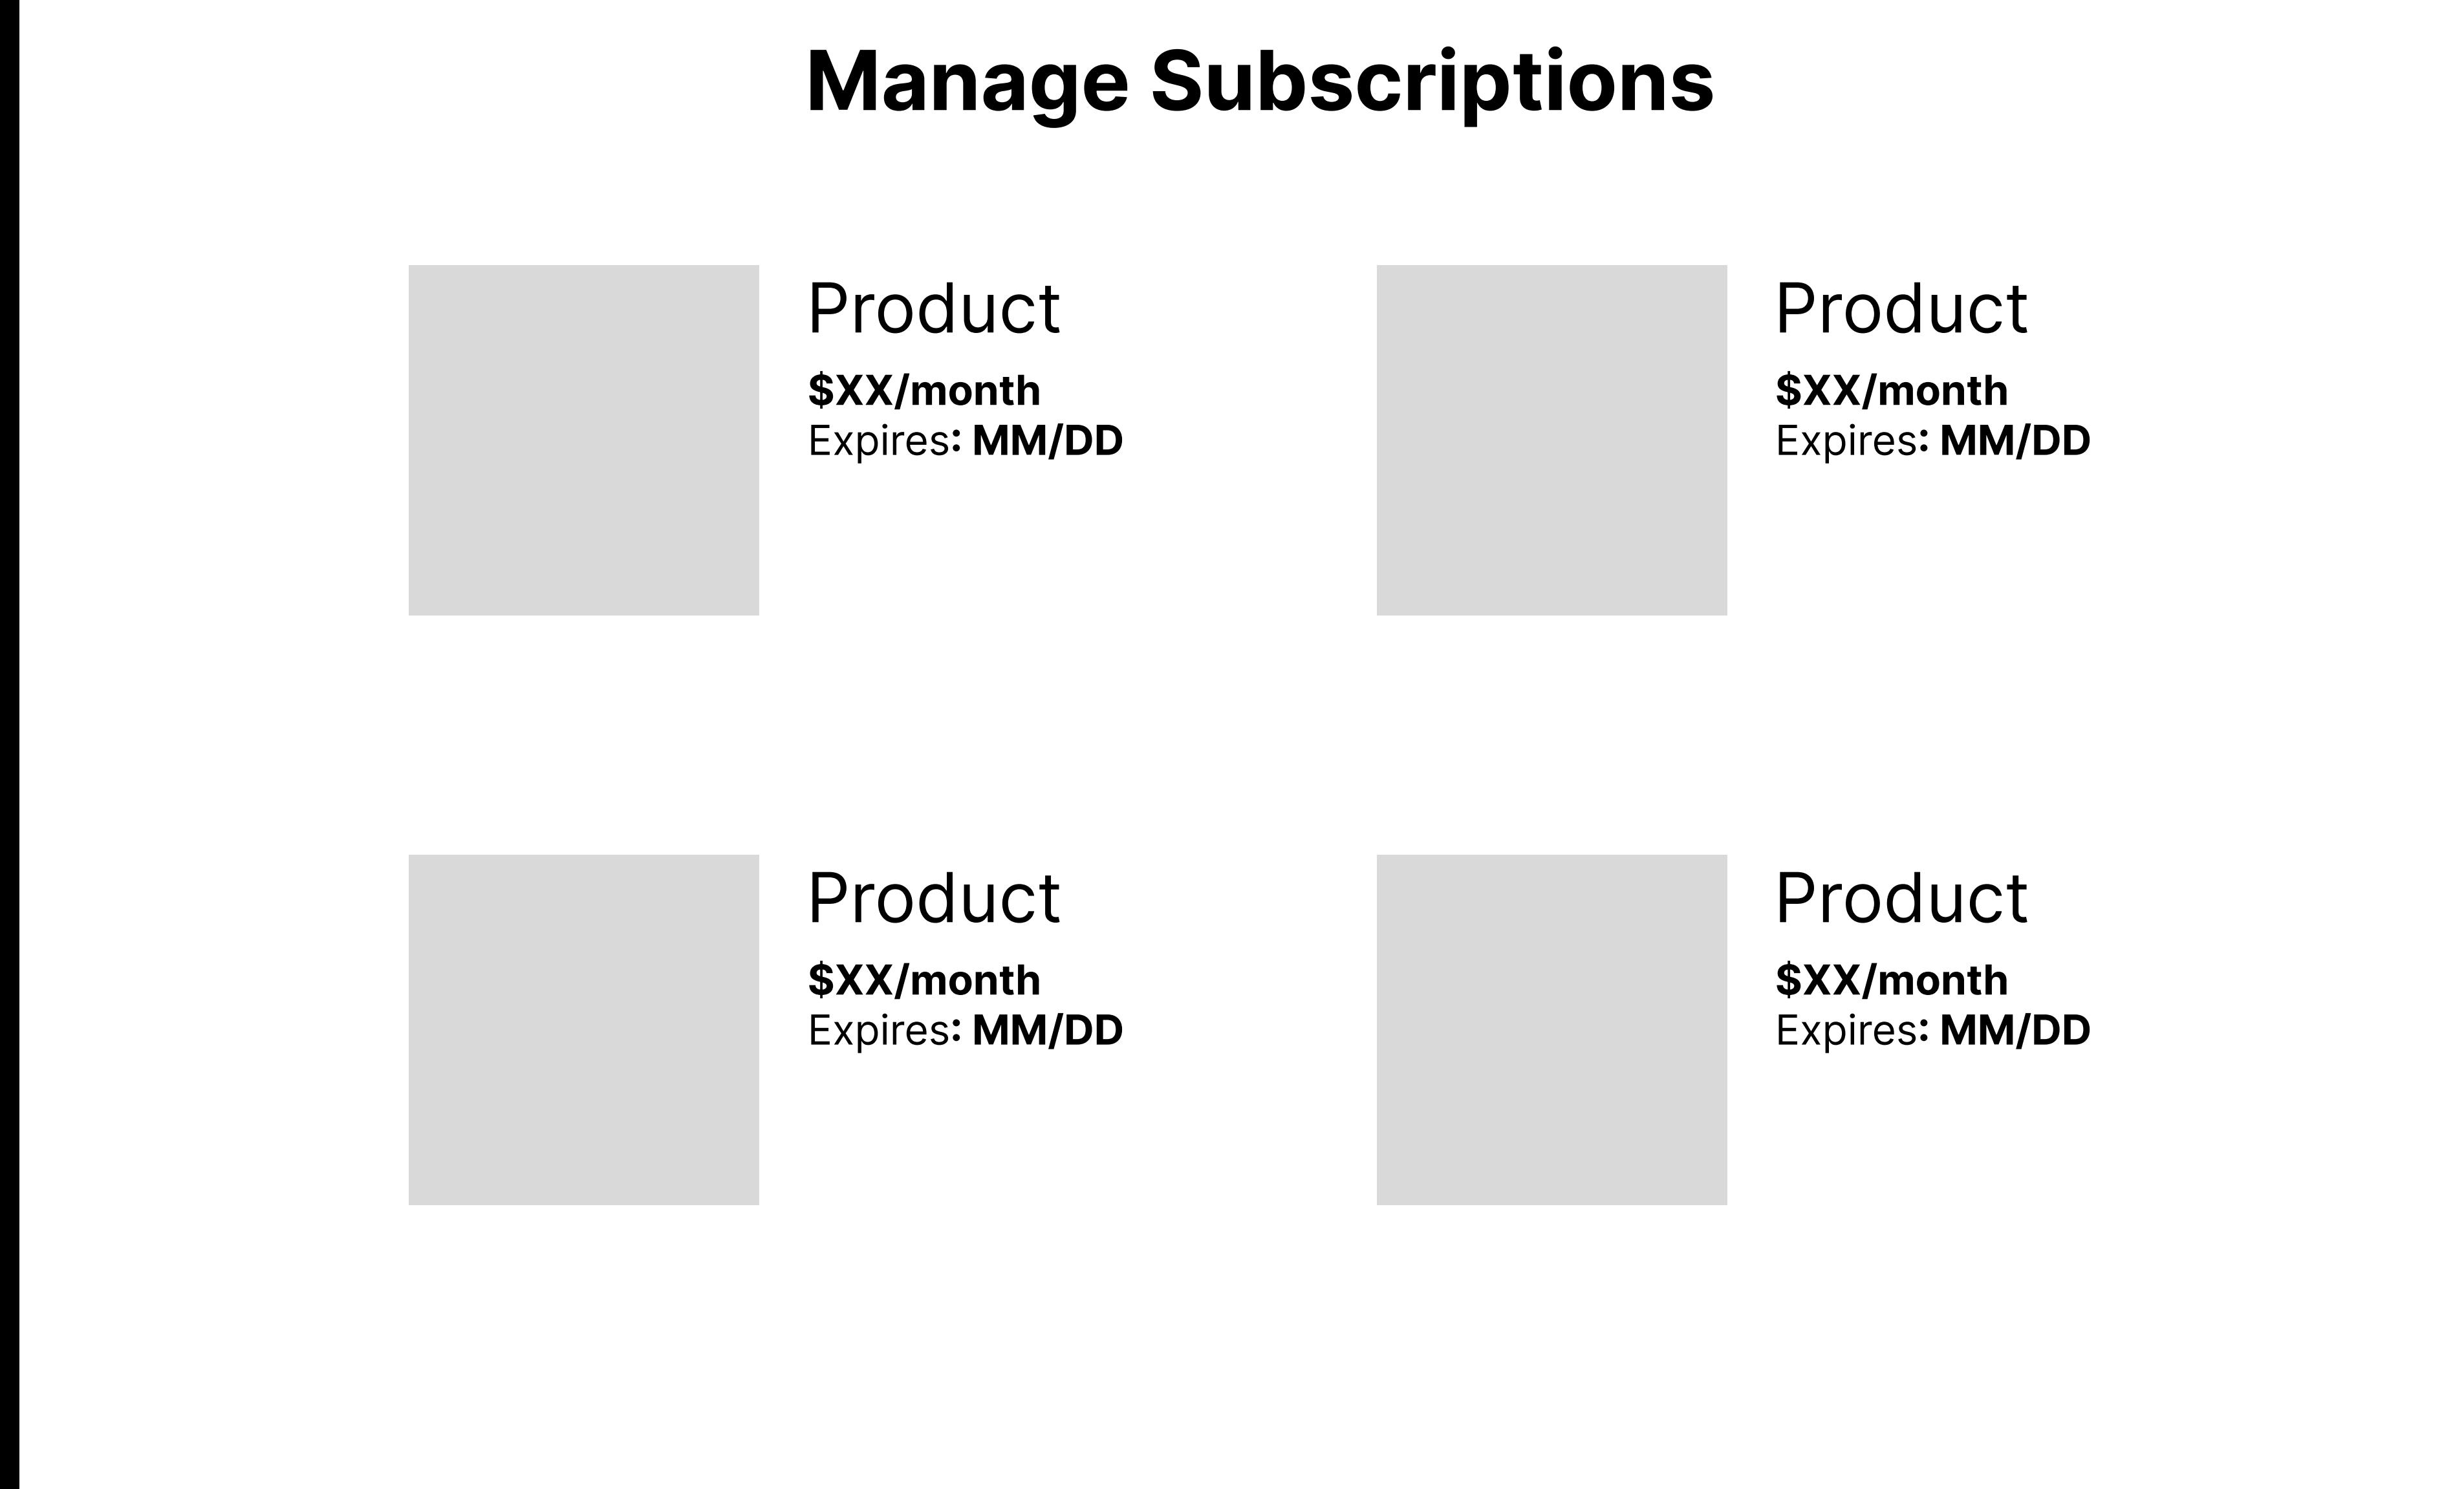

The browse page shows a sidebar with a tree structure and filters. The main area displays a search bar and a list of products under '(Current Location in Store/Category)'. Each product entry includes a placeholder image, a title, a light description, a price '\$XX.XX /mon', a condition 'Condition: blah blah', and a 'Options[]' button with a checked checkbox.

Product Page

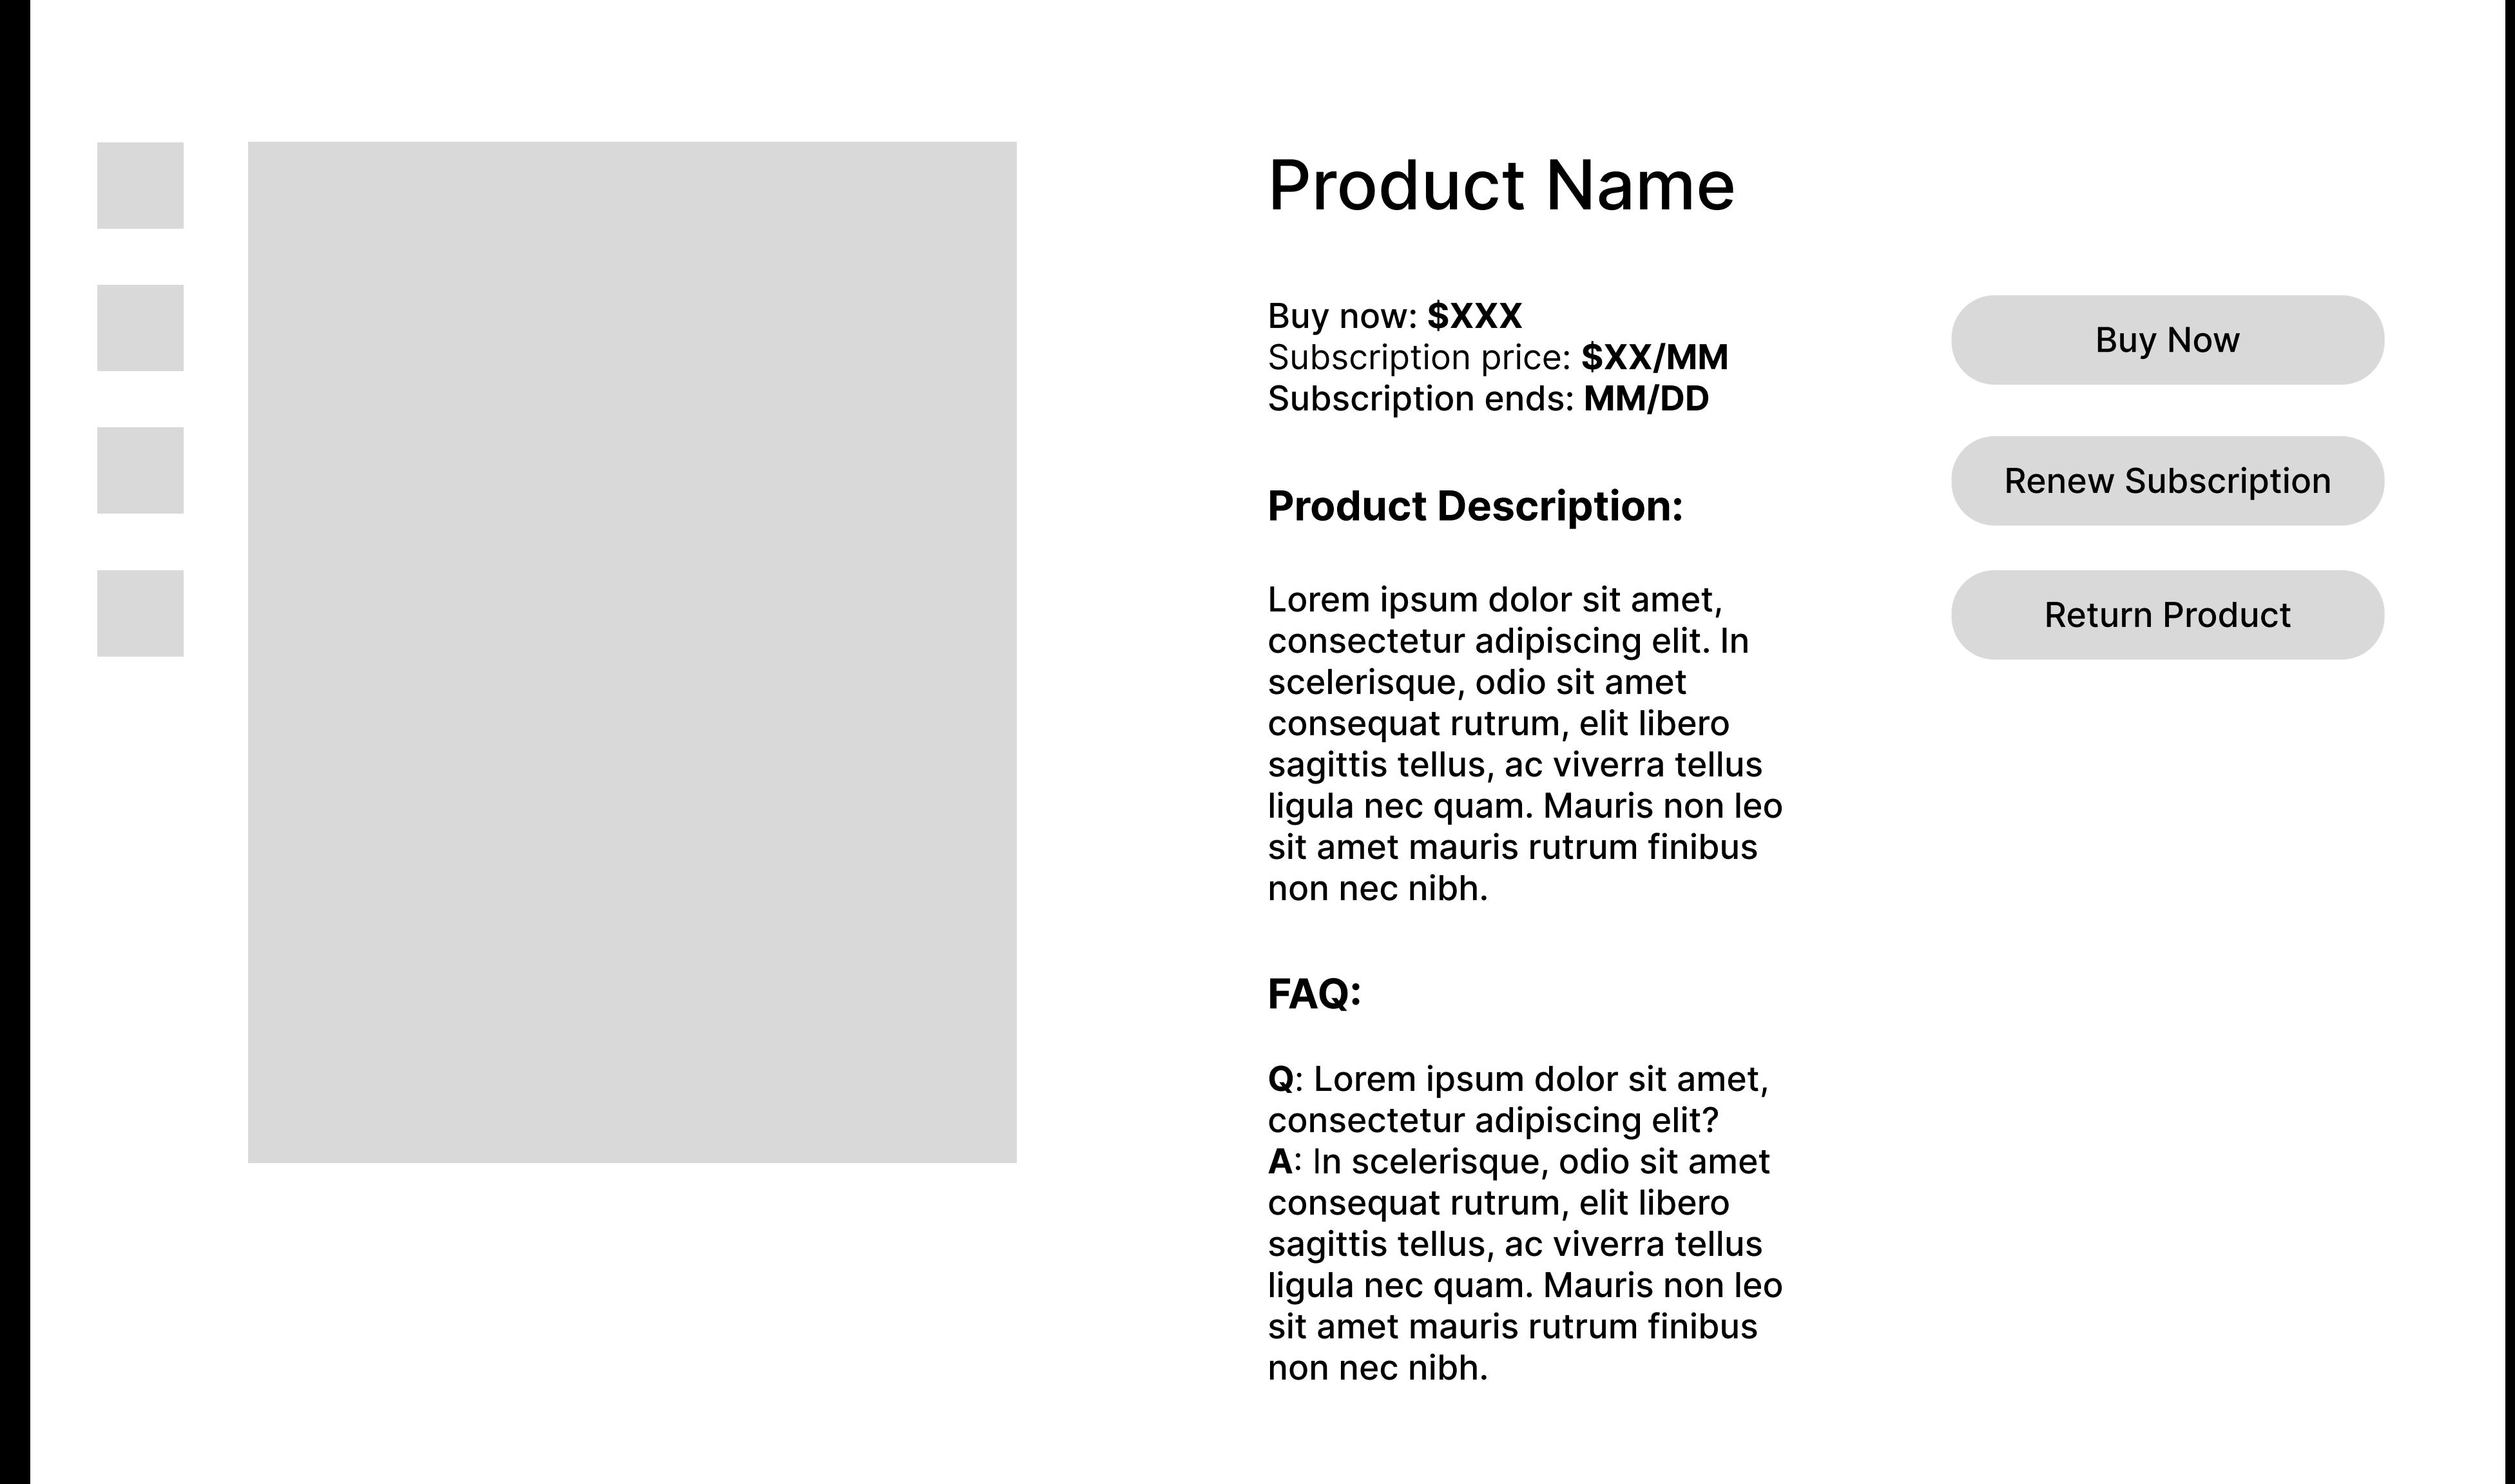

The product page for a 'Banana Super Cool Laptop Gen 300' shows a large image placeholder. To the right, the product title is 'Product Title Banana Super Cool Laptop Gen 300', the condition is 'Condition: blah blah', and the rental period is set to 'months'. A 'What happens then?' link, a 'Model:' slider, and a 'Subscribe' button are also present. Below the product title is a 'Product details:' section with a list of lorem ipsum text.

Manage Rentals Page

The manage rentals page features a header with 'Circular', 'Region: Singapore', 'Search', and 'English'. Below is a section titled 'Manage Subscriptions' showing four placeholder subscription cards with details like 'Product \$XX/month Expires: MM/DD'.

Rental Details Page

The rental details page for a product shows a placeholder image. To the right, the 'Product Name' is listed as 'Product Name', with a 'Buy Now' button. The 'Product Description' is a placeholder text block. A 'FAQ:' section contains a single question and answer pair. Buttons for 'Renew Subscription' and 'Return Product' are located at the bottom right.
